Meeting Minutes

Present: Bill Dunne, Lou Anthony, Hon. Dean Bodnar, Hon. Robert Doherty, Paul Carroll, Tina Urzan and Steve Bouchey

Absent: Mary O'Neill and Lisa Kyer

Also in attendance: Robert Ryan, Monica Kurzejeski, Kate Jarosh, Andrew Piotrowski, Ken Crowe, Tom Keaney and Denee Zeigler

Vice Chairman Steve Bouchey called the meeting to order at 10:35 a.m.

I. Minutes from the July 11, 2014 meeting

**Tina Urzan made a motion to approve the minutes from the July 11, 2014 meeting.
Paul Carroll seconded the motion, motion carried.**

II. 33 Second Street

Bob Ryan spoke to the board about the Authorizing Resolution in front of them for the project at 33 Second Street. Bill Dunne advised that the public hearing was held last week for this project. Kate Jarosh of Bonacio Construction gave a summary about the project and the recent tenant changes. Ms. Jarosh thanked the board for supporting their vision. Mr. Dunne asked if there were any questions.

**Hon. Bob Doherty made a motion to approve the authorizing resolution for 33 Second Street, LLC.
Paul Carroll seconded the motion, motion carried.
Dean Bodnar was absent for this vote.**

(See attached Authorizing Resolution 08/14 #1)

III. Beman Properties LLC

Tom Keaney from Columbia Development spoke about the student housing project which consists of 27 properties in the Beman Park area. The properties were in foreclosure and had continued to decline. We want to invest in the properties and turn them into quality apartments for students. Columbia Development wanted to develop a solution for the problem. It was suggested that two of the buildings be demolished. At this point, one will stay and one will not. It is our intension to start the projects in the late summer/early fall and have them ready for occupancy in March. Steve Bouchey noted that this is an ambitious project to take on that many properties. Mr. Keaney stated that it is

their intention to provide good housing near campus. They are also setting up a \$50,000 home ownership program possibly to keep the people here as homeowners to help the neighborhood. Mr. Keaney advised it will be an exciting and challenging project.

Paul Carroll questioned why the residents were opposed to knockdown one of the properties. Mr. Keaney noted that the neighborhood felt it was important to save instead of knocking it down. He advised it will go through an analysis to see if it would be able to be saved. Mr. Bouchey asked what would happen to the site if it was knocked down. Mr. Keaney was not sure at this point. One of the goals is to de-densify the number of beds by 10%; bringing the number from 220 to 200. Mr. Bouchey asked when the first one would be ready. Mr. Keaney explained that some of the buildings will be ready in a few months, others will take some time. Mr. Bouchey inquired if any jobs will be created from this project. Mr. Keaney advised that there will be 2 full time and at least 1 office staff. There will be between 15-20 construction workers for 6-8 months. Mr. Doherty asked about the other property that was set for demolition and inquired if the closings will be simultaneously. Mr. Keaney advised that there is no plan at this time and there will not be a simultaneous closing.

Tina Urzan asked if they will all be owned by the same landlord and if they will have 24 hour supervision. Mr. Keaney advised that they will all be owned by Campus Habitat and have 24 hour staff on call. Mrs. Urzan asked about the parking situation. Mr. Keaney explained that there are a few houses with driveways and they do not plan on increasing the number of units. The average will be six students per house. Mrs. Urzan asked if this would be considered on or off campus and if the rent would be per person or per unit. Mr. Keaney advised that the rent would be per apartment and target upper classman or graduate students. Mr. Keaney added that they will be doing maintenance checks and walkthroughs on the properties. Mr. Bodnar asked about the neighbors reactions at the recent planning board meeting. Mr. Keaney stated there were a few neighbors there to speak about the project. The overall response was positive. Mr. Bodnar commended their handling of the neighbors' concerns about demolishing two of the buildings. Mr. Keaney stressed they are not interested in knocking down buildings and will work with them in any way they can. Lou Anthony questioned if each building will be handled individually through the proper City departments. Mr. Keaney advised yes. Mr. Anthony noted that parking in that neighborhood is an issue when school is in session. Mr. Keaney noted that national student housing standards show about 1/3 have cars and they will be involved throughout the process. Steve Bouchey noted that students have been living there all along. If anything, this will help to de-densify and clean up. Mrs. Urzan noted something like this would be good for North Central. Mr. Bouchey asked if there were any other questions.

**Paul Carroll made a motion to approve the initial project resolution for Beman Property Development LLC.
Tina Urzan seconded the motion, motion carried.**

(See attached Authorizing Resolution 08/14 #2)

Bob Ryan spoke about the resolution in front of the board members to adopt the findings statement as part of the Eminent Domain Procedure Law Act. Mr. Ryan advised this is a result of the public hearing that took place last month. An important part of the process is to respond to any comments that come in. Mr. Ryan went through the document with the board members and advised that one person spoke during the hearing and three items were submitted as part as the public hearing packet. The next step of the process would be to adopt and publish the findings statement within 90 days of the public hearing. The property owner would be sent a copy and then have 30 days to object to anything that is noted in the public hearing. Assuming there are no objections, the board can file documents with the court to move it forward. The court would look to make sure that all steps were followed and then they can make a determination of the transferring of the property. At that point, if there is a disagreement with the property owner about the price they would have a chance to file with the courts. Mr. Doherty asked what a R.O.D is. Mr. Ryan advised it is a record of decision made by NYS DEC. Mr. Bodnar asked if there was any indication at the public hearing what the property owners had planned for the property. Mr. Dunne advised nothing was mentioned during the public hearing about plans for a future use.

Hon. Dean Bodnar made a motion to approve the Ingalls Avenue Determinations and Findings resolution.

Tina Urzan seconded the motion, motion carried.

(See attached Authorizing Resolution 08/14 #3)

V. Riverfront Access at 273 River Street

Mr. Dunne spoke to the board members about the Riverfront Park Access project located at 273 River Street. NYS DEC advised the project can continue. If any other ground contamination is found we would send it to them to be incinerated. Mr. Dunne advised that they will commence work on September 2nd.

VI. Financials

Andy Piotrowski went over the financials with the board members. He noted that there was not much activity since the last meeting. All PILOTs are up to date. Mr. Bouchey asked for an update on IBT. Mr. Piotrowski advised that a payment was received for a portion of what was owed. Mr. Bouchey asked if it was for the balance. Mr. Piotrowski advised not that he was aware but Selena Skiba has been speaking with them. Mr. Dunne advised that Justin has also been in contact with them.

VII. Adjournment

Tina Urzan made a motion to adjourn the meeting.

Paul Carroll seconded the motion, motion carried.

The meeting was adjourned at 11:16 a.m.

Resolution No. 08/14 #1

RESOLUTION OF THE TROY INDUSTRIAL DEVELOPMENT AUTHORITY (THE "AUTHORITY") (i) AUTHORIZING THE UNDERTAKING OF A CERTAIN PROJECT (AS FURTHER DEFINED HEREIN) FOR THE BENEFIT OF 33 SECOND STREET BUILDING, LLC (THE "COMPANY") IN CONNECTION WITH A CERTAIN PROJECT; (ii) ADOPTING FINDINGS PURSUANT TO THE STATE ENVIRONMENTAL QUALITY REVIEW ACT ("SEQRA") WITH RESPECT TO THE PROJECT; AND (iv) AUTHORIZING THE EXECUTION AND DELIVERY OF CERTAIN DOCUMENTS AND AGREEMENTS RELATING TO THE PROJECT

WHEREAS, by Title 11 of Article 8 of the Public Authorities Law of the State of New York, as amended, and Chapter 759 of the Laws of 1967 of the State of New York, as amended (hereinafter collectively called the "Act"), the **TROY INDUSTRIAL DEVELOPMENT AUTHORITY** (hereinafter called the "Authority") was created with the authority and power to own, lease and sell property for the purpose of, among other things, acquiring, constructing and equipping civic, industrial, manufacturing and commercial facilities as authorized by the Act; and

WHEREAS, **33 SECOND STREET BUILDING, LLC** (the "Company"), has requested the Authority's assistance with a certain project (the "Project") consisting of (i) the acquisition by the Authority of a leasehold or other interest in certain parcels of real property located at 33-35 Second Street, Troy, New York 12180 (the "Land", being more particularly identified as TMID No. 101.53-7-9) and the existing improvements located thereon, including a 5-story commercial building (the "Existing Improvements"); (B) the renovation, reconstruction, refurbishing and equipping by the Company as agent of the Authority of the Existing Improvements to provide for multi-tenanted commercial facility and 10 market rate apartment units, including the reconfiguration of existing commercial space to accommodate upgraded commercial and retail spaces and apartment units, along with the installation and improvement of common areas, heating systems, plumbing, roofs, windows and other site and infrastructure improvements (collectively, the "Improvements"), all of the foregoing intended for the Company's ownership and operation of the Improvements as a mixed-use commercial, retail and housing facility that will be leased by the Company to commercial, retail and residential tenants; (C) the acquisition of and installation in and around the Land, Existing Improvements and Improvements of certain machinery, fixtures, equipment and other items of tangible personal property (the "Equipment" and, collectively with the Land, the Existing Improvements and the Improvements, the "Facility"); and (D) the lease of the Authority's interest in the Facility back to the Company; and

WHEREAS, by resolution adopted July 11, 2014 (the "Initial Project Resolution"), the Authority (i) accepted the Application submitted by the Company, (ii) authorized the scheduling, notice and conduct of a public hearing with respect to the Project (the "Public Hearing"), and

(iii) described the forms of financial assistance being contemplated by the Authority with respect to the Project (the “Financial Assistance”, as more fully described herein); and

WHEREAS, pursuant to the Initial Project Resolution, the Authority duly scheduled, noticed and conducted the Public Hearing at 10:30 a.m. on August 8, 2014, whereat all interested persons were afforded a reasonable opportunity to present their views, either orally or in writing, on the location and nature of the Facility and the proposed Financial Assistance to be afforded the Company in connection with the Project (a copy of the Minutes of the Public Hearing, proof of publication and delivery of Notice of Public Hearing and Contemplated Deviation being attached hereto as **Exhibit A**); and

WHEREAS, in furtherance of the authorization of the Project, the Authority desires to review the Project as lead agency pursuant to the State Environmental Quality Review Act and regulations adopted pursuant thereto (collectively, “SEQRA”), and has been presented with an Environmental Assessment Form (“EAF”), a copy of which is attached hereto as **Exhibit B**; and

WHEREAS, the Authority and Company have negotiated a lease agreement (the “Lease Agreement”), related Leaseback Agreement (the “Leaseback Agreement”) and related payment-in-lieu-of-tax agreement (the “PILOT Agreement”), and, subject to the conditions set forth within this resolution, it is contemplated that the Authority will (i) acquire a leasehold interest in the Land and Existing Improvements pursuant to the Lease Agreement, (ii) appoint the Company agent of the Authority to undertake the Project and lease the Land, Existing Improvements, Improvements and Equipment constituting the Facility to the Company for the term of the Leaseback Agreement and PILOT Agreement, and (ii) provide certain forms of Financial Assistance to the Company, including (a) mortgage recording tax exemption(s) relating to one or more financings secured in furtherance of the Project; (b) a sales and use tax exemption for purchases and rentals related to the construction and equipping of the Project; and (c) a partial real property tax abatement structured through the PILOT Agreement; and

WHEREAS, the Authority desires to authorize the undertaking of the Project.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE TROY INDUSTRIAL DEVELOPMENT AUTHORITY AS FOLLOWS:

Section 1. The Company has presented an application in a form acceptable to the Authority. Based upon the representations made by the Company to the Authority in the Company's application and in related correspondence, the Authority hereby finds and determines that:

(A) By virtue of the Act, the Authority has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) The Authority has the authority to take the actions contemplated herein under the Act; and

(C) The action to be taken by the Authority will induce the Company to develop the Project, thereby increasing employment opportunities in the City of Troy, New York, and otherwise furthering the purposes of the Authority as set forth in the Act; and

(D) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Authority hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries; and

(E) The Authority has reviewed the EAF and determined the Project involves an "Unlisted Action" as said term is defined under SEQRA. The review is uncoordinated. Based upon the review by the Authority of the EAF and related documents delivered by the Company to the Authority and other representations made by the Company to the Authority in connection with the Project, the Authority hereby finds that (i) the Project will result in no major impacts and, therefore, is one which may not cause significant damage to the environment; (ii) the Project will not have a "significant effect on the environment" as such quoted terms are defined in SEQRA; and (iii) no "environmental impact statement" as such quoted term is defined in SEQRA, need be prepared for this action. This determination constitutes a negative declaration in connection with the Authority's sponsorship and involvement with the Project for purposes of SEQRA.

Section 2. The Authority hereby accepts the Minutes of the Public Hearing and approves the provision of the proposed Financial Assistance to the Company, including (i) a sales and use tax exemption for materials, supplies and rentals acquired or procured in furtherance of the Project by the Company as agent of the Authority; (ii) mortgage recording tax exemption(s) in connection with secured financings undertaken by the Company in furtherance of the Project; and (iii) an abatement or exemption from real property taxes levied against the Land and Facility pursuant to a PILOT Agreement.

Section 3. Subject to the Company executing the Leaseback Agreement and/or a related Agent Agreement, along with the delivery to the Authority of a binder, certificate or other evidence of liability insurance policy for the Project satisfactory to the Authority, the Authority hereby authorizes the undertaking of the Project, including the acquisition of a leasehold interest in the Land and Existing Improvements pursuant to the Lease Agreement and related recording documents, the form and substance of which shall be approved as to form and content by counsel to the Authority. Subject to the within conditions, the Authority further authorizes the execution and delivery of the Leaseback Agreement, wherein the Company is authorized to undertake the construction and equipping of the Improvements and hereby appoints the Company as the true and lawful agent of the Authority: (i) to acquire, construct and equip the Improvements and acquire and install the Equipment; (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Authority with the authority

to delegate such agency, in whole or in part, to agents, subagents, contractors, and subcontractors of such agents and subagents and to such other parties as the Company chooses; and (iii) in general, to do all things which may be requisite or proper for completing the Project, all with the same powers and the same validity that the Authority could do if acting in its own behalf.

Based upon the representation and warranties made by the Company the Application, the Authority hereby authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an amount up to **\$1,000,000.00**, which result in New York State and local sales and use tax exemption benefits (“sales and use tax exemption benefits”) not to exceed **\$80,000.00**. The Authority agrees to consider any requests by the Company for increase to the amount of sales and use tax exemption benefits authorized by the Authority upon being provided with appropriate documentation detailing the additional purchases of property or services, and, to the extent required, the Authority authorizes and conducts any supplemental public hearing(s).

Pursuant to Section 1963-b of the Act, the Authority may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any sales and use tax exemption benefits taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the sales and use tax exemption benefits; (ii) the sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the sales and use tax exemption benefits are for property or services not authorized by the Authority as part of the Project; (iv) the Company has made a material false statement on its application for financial assistance; (v) the sales and use tax exemption benefits are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project fails to comply with a material term or condition to use property or services in the manner approved by the Authority in connection with the Project; and/or (vi) the Company obtains mortgage recording tax benefits and/or real property tax abatements and fails to comply with a material term or condition to use property or services in the manner approved by the Authority in connection with the Project (collectively, items (i) through (vi) hereby defined as a “Recapture Event”).

As a condition precedent of receiving sales and use tax exemption benefits, mortgage recording tax exemption benefits, and real property tax abatement benefits, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, must (i) if a Recapture Event determination is made by the Authority, cooperate with the Authority in its efforts to recover or recapture any sales and use tax exemption benefits, mortgage recording tax benefits and/or real property tax abatements abatement benefits, and (ii) promptly pay over any such amounts to the Authority that the Authority demands, if and as so required to be paid over as determined by the Authority.

Section 4. The Chairman, Vice Chairman, and/or Executive Director/Chief Executive Officer of the Authority are hereby authorized, on behalf of the Authority, to execute, deliver (A)

the Lease Agreement, pursuant to which the Company will lease its interest in the Land, Existing Improvements, Improvements and Equipment constituting the Facility to the Authority, (B) the Leaseback Agreement, pursuant to which the Authority will lease its interest in the Land, Existing Improvements, Improvements and Equipment constituting the Facility back to the Company, (C) the PILOT Agreement pursuant to which the Company shall be required to make certain PILOT Payments to the Authority for the benefit of the Affected Taxing Jurisdictions (along with a related PILOT Mortgage Agreement), and (C) related documents, including, but not limited to, Sales Tax Exemption Letter(s), Bills(s) of Sale and related instruments; provided the rental payments under the Leaseback Agreement include payments of all costs incurred by the Authority arising out of or related to the Project and indemnification of the Authority by the Company for actions taken by the Company and/or claims arising out of or related to the Project.

Section 5. The Chairman, Vice Chairman and/or the Executive Director/Chief Executive Officer of the Authority are hereby further authorized, on behalf of the Authority, and to the extent necessary, to execute and deliver any mortgage, assignment of leases and rents, security agreement, UCC-1 Financing Statements and all documents reasonably contemplated by these resolutions or required by any lender identified by the Company (the "Lender") up to a maximum principal amount necessary to undertake the Project and/or finance/refinance acquisition and Project costs, equipment and other personal property and related transactional costs, and, where appropriate, the Secretary or Assistant Secretary of the Authority is hereby authorized to affix the seal of the Authority to the Authority Documents and to attest the same, all with such changes, variations, omissions and insertions as the Chairman, Vice Chairman and/or the Executive Director/Chief Executive Officer of the Authority shall approve, the execution thereof by the Chairman, Vice Chairman or the Executive Director/Chief Executive Officer of the Authority to constitute conclusive evidence of such approval; provided, in all events, recourse against the Authority is limited to the Authority's interest in the Project.

Section 6. The officers, employees and agents of the Authority are hereby authorized and directed for and in the name and on behalf of the Authority to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Authority with all of the terms, covenants and provisions of the documents executed for and on behalf of the Authority.

Section 7. These Resolutions shall take effect immediately.

SECRETARY'S CERTIFICATION

Resolution No. 08/14 #2

RESOLUTION OF THE TROY INDUSTRIAL DEVELOPMENT AUTHORITY (THE "AUTHORITY") (i) ACCEPTING THE APPLICATION OF BEMAN PROPERTY DEVELOPMENT LLC (THE "COMPANY") IN CONNECTION WITH A CERTAIN PROJECT (AS MORE FULLY DEFINED BELOW); (ii) AUTHORIZING THE SCHEDULING, NOTICE AND CONDUCT OF A PUBLIC HEARING WITH RESPECT TO THE PROJECT; AND (iii) DESCRIBING THE FORMS OF FINANCIAL ASSISTANCE BEING CONTEMPLATED BY THE AUTHORITY WITH RESPECT TO THE PROJECT

WHEREAS, by Title 11 of Article 8 of the Public Authorities Law of the State of New York, as amended, and Chapter 759 of the Laws of 1967 of the State of New York, as amended (hereinafter collectively called the "Act"), the **TROY INDUSTRIAL DEVELOPMENT AUTHORITY** (hereinafter called the "Authority") was created with the authority and power to own, lease and sell property for the purpose of, among other things, acquiring, constructing and equipping civic, industrial, manufacturing and commercial facilities as authorized by the Act; and

WHEREAS, **BEMAN PROPERTY DEVELOPMENT LLC** (the "Company"), has requested the Authority's assistance with a certain project (the "Project") consisting of (i) the acquisition by the Authority of a leasehold or other interest in twenty-seven (27) parcels of real property located within the City Troy, New York (collectively, the "Land", as listed and more particularly identified in Exhibit A, hereto) and the existing improvements located thereon, which include multi-unit residential rental housing structures and related improvements (the "Existing Improvements"); (B) the demolition, renovation, reconstruction, refurbishing and equipping by the Company as agent of the Authority of the Existing Improvements to provide multi-unit residential rental properties with capacity for approximately 200 individual residential tenants, along with the installation and improvement of common areas, heating systems, plumbing, roofs, windows and other site and infrastructure improvements (collectively, the "Improvements"), all of the foregoing intended for the Company's ownership and operation of the Improvements as a residential rental housing facilities that will be leased by the Company to residential tenants; (C) the acquisition of and installation in and around the Land, Existing Improvements and Improvements of certain machinery, fixtures, equipment and other items of tangible personal property (the "Equipment" and, collectively with the Land, the Existing Improvements and the Improvements, the "Facility"); and (D) the lease of the Authority's interest in the Facility back to the Company; and

WHEREAS, pursuant to the Act, the Authority desires to adopt a resolution describing the Project and the Financial Assistance (as hereinafter defined) that the Authority is contemplating with respect to the Project; and

WHEREAS, it is contemplated that the Authority will (i) accept the Application submitted by the Company; (ii) approve the scheduling, notice and conduct of a Public Hearing with respect to the Project; and (iii) approve the negotiation, but not the execution or delivery, of certain documents in furtherance of the Project, as more fully described below.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE TROY INDUSTRIAL DEVELOPMENT AUTHORITY AS FOLLOWS:

Section 1. The Company has presented an application in a form acceptable to the Authority. Based upon the representations made by the Company to the Authority in the Company's application and in related correspondence, the Authority hereby finds and determines that:

(A) By virtue of the Act, the Authority has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) The Authority has the authority to take the actions contemplated herein under the Act; and

(C) The action to be taken by the Authority will induce the Company to develop the Project, and otherwise furthering the purposes of the Authority as set forth in the Act; and

(D) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Authority hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries; and

Section 2. The proposed Financial Assistance being contemplated by the Authority includes (i) a sales and use tax exemption for materials, supplies and rentals acquired or procured in furtherance of the Project by the Company as agent of the Authority; (ii) mortgage recording tax exemption(s) in connection with secured financings undertaken by the Company in furtherance of the Project; and (iii) an abatement or exemption from real property taxes levied against the Land and Facility pursuant to a PILOT Agreement to be negotiated.

Section 3. The Chairman, Vice Chairman, and/or Executive Director/Chief Executive Officer of the Authority are hereby authorized, on behalf of the Authority, to schedule, notice and conduct a public hearing in compliance with the Act and negotiate (but not execute or deliver) the terms of (A) a Lease Agreement, pursuant to which the Company leases the Land and Existing Improvements to the Authority, (B) a related Leaseback Agreement, pursuant to which the Authority leases its interest in the Project back to the Company, (C) a PILOT

Agreement, pursuant to which the Company agrees to make certain payments in-lieu-of real property taxes, and (D) related documents thereto; *provided* (i) the rental payments under the Leaseback Agreement include payments of all costs incurred by the Authority arising out of or related to the Project and indemnification of the Authority by the Company for actions taken by the Company and/or claims arising out of or related to the Project and (ii) the terms of the PILOT Agreement are consistent with the Authority's Uniform Tax Exemption Policy or the procedures for deviation have been complied with.

Section 4. The officers, employees and agents of the Authority are hereby authorized and directed for and in the name and on behalf of the Authority to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Authority with all of the terms, covenants and provisions of the documents executed for and on behalf of the Authority.

Section 5. These Resolutions shall take effect immediately.

RESOLUTION

(Ingalls Avenue Project – Adoption of Determination and Findings)

A special meeting of the Troy Industrial Development Authority was convened in public session on August 15, 2014, at 10:30 a.m. at 433 River Street, Troy, New York 12180.
