

The Neighborhood Improvement Program is:

- o Designed to encourage residents to initiate neighborhood improvement projects and programs which stimulate further involvement in Troy's neighborhoods.
- o **Available to neighborhood-based organizations including registered neighborhood and homeowner associations, and other neighborhood groups.**
- o *Geared to neighborhood specific projects to motivate neighborhood residents to take on projects that will improve the neighborhood and community at large.*
- o **To assist in improving the health of Troy neighborhoods by addressing neighborhood needs through the active participation of neighborhood residents.**
- o The goal of residents working together to enhance the quality of life for the entire community.
