

2009 Troy Turkey Trot Walk (1.39 mi.)

Troy, NY

Description of Course

From the **Start** on 4th St at the Fulton St crosswalk on N side of intersection, the course proceeds north, bearing right on to King St., curving left at Jacob and merging into River St. It continues 2 blocks to the Turnaround at the south side of the intersection with Hoosick St.

At the turnaround, the course returns south on River, crossing Federal, curving to the right, and continuing across the intersection with Fulton to the **Finish** at the Atrium across from the Rensselaer Center of Applied Geology.
