Statement from Mayor Madden on \$3.58M BRIDGE NY Grant Award for Campbell Avenue Bridge

TROY, NY – Mayor Patrick Madden has issued the following statement regarding a \$3.588 million BRIDGE NY grant awarded to the City of Troy for the repair of the Campbell Avenue Bridge:

“The allocation of state funding to repair and modernize the Campbell Avenue Bridge is welcome news for our community, helping preserve an important traffic route between our Eastside and South Troy neighborhoods. This critical investment from New York State will help protect the health and safety of the residents, families, children, local businesses, visitors and emergency response personnel that use the Campbell Avenue Bridge each day. We applaud Governor Cuomo and our state representatives for their commitment to improving our state’s roads, bridges and other infrastructure assets for the continued prosperity and growth of our community and region.”
