II. Initial Project Resolution - CityStation North, LLC

Bill Flannigan from United Group spoke about their redevelopment project located at the corner of Congress Street and Sixth Avenue; currently a vacant building. Mr. Flannigan presented renderings to the board members illustrating how the proposed building will fit into the surrounding buildings. He advised that the alley will be utilized as the main entryway into the building in order to reduce traffic issues on Sixth Ave. Mr. Flannigan advised that it is a mixed use project. He explained that the Congress Street side there is a four story, 40,000 sq ft office building with parking below for the commercial and residential tenants. There will also be a surface lot of about 20 spaces. Mr. Flannigan noted that there will be about 87 market rate units of residential along the Sixth Ave side; 62 one bedrooms and 25 two bedrooms. Mr. McGrath asked for clarification on the layout of commercial and residential. Mr. Flannigan explained that the commercial space located on the Congress Street side will be for offices and the rest of the building along Sixth and State Street will be residential with the entrance through the alley. Mr. Flannigan advised that the project cost is approximately \$40 million; noting that the parking brings the cost up but is necessary to bring in the tenants. The board asked about job creation. Mr. Flannigan advised that about 100 professional jobs will be created and about 4-5 building maintenance people. The board asked how they intend on filling this space. Mr. Flannigan advised that they are working on that now. Ms. Urzan asked about the

possibility of using some of the space for retail. Mr. Flannigan advised no, but noted that a block away there is plenty of retail for them to fill in the other City Station buildings. He added that they are struggling to keep commercial tenants, but feels that this project will complement the retail spaces currently in place. (See Attached Resolution 10/18 #1)

Paul Carroll made a motion to approve the Initial Project Resolution for CityStation North, LLC.

Lou Anthony seconded the motion, motion carried.

III. Initial Project Resolution - Oakwood Ave Apartments, LLC

John Hodorowski introduced himself to the board and discussed his proposed project consisting of 48 market rate apartments that will be housed in four separate buildings; twelve units in each with interior access. He advised that he owns J. Luke Construction and works with the Hodorowski Group. They have recently completed projects in Schenectady and Troy. He advised that the Summit Hill Apartments received incentives through the county IDA; PILOT, sales tax and mortgage recording tax. He added their intent is never to build a project in order to flip or sell it immediately; they are here for the long term and will also be doing the property management once the project is complete. Mr. Hodorowski explained that they are a self-performing construction company doing most of the work themselves. He advised this project will be about 12 months and employ about 50-75 construction jobs. He noted that they will manage the property themselves, but will create two full time jobs; housekeeping and a maintenance person.

The board asked about the location of the project. Mr. Hodorowski explained that it is off of Oakwood Ave with the Frear Park in the rear of the building. The board discussed the incentives being asked for; sales & use tax exemption and mortgage recording tax exemption only. Mr. Strichman advised it will be about \$200,000 in savings for them and generate about \$147,000 in total taxes. Mr. Hodorowski noted that the sales and use tax exemption will allow them to put in some extra details during construction. The board noted that this project is a new construction which will benefit the city of Troy. Mr. McGrath asked if they owned the property. Mr. Hodorowski advised yes, they purchased it recently. Ms. Urzan asked about the target tenants. Mr. Hodorowski advised that of the 48 units, 20 will be two bedrooms. They are looking for young professionals and even some families; citing the ideal location. He discussed the tenant make up of his project at Summit Hill Apartments noting there are only a handful of students. (See Attached Resolution 10/18 #2)

Bill Strang made a motion to approve the Initial Project Resolution for Oakwood Ave Apartments, LLC.

Lou Anthony seconded the motion, motion carried.

IV. Executive Director's report

Fee Sharing – Mr. Strichman spoke about the background of the fee sharing program and how the LDC assisted with the Rosenblum project on Fourth Street. He advised that the IDA will share a portion of the total fee received; \$140,000. Mr. McGrath asked about the process. The board had a general discussion on the fee sharing program and how it was developed specifically for situations like this. Mr. Cummings asked how we decide on the percentage. The board advised that there was equal value on both sides; 50% was the decided amount.

Paul Carroll made a motion to approve sharing 50% of the \$140,000 fee with the Troy LDC.

Tina Urzan seconded the motion, motion carried.

Brian Carroll seconded the motion, motion carried.

VI. Financials

Ms. Flores advised that there is \$1,050,000 million in assets versus \$1,047,000 million in equity and \$3,500 in liabilities. She advised that the biggest change is the cash-in, which comes from the PILOT payments made to the IDA and are immediately paid to the city.

Ms. Flores advised that there is a profit for the month of September of \$2,300. Income is from the application fee received from CityStation North. She added that the only expense is to BST.

Mr. McGrath asked if the liability was all from one source. Ms. Flores advised it is showing as coming in and then going back out. We receive PILOT payments from the projects and then give it right back to the city.

Bill Strang made a motion to approve the IDA financials as presented.

Paul Carroll seconded the motion, motion carried.

VII. 701 River Street - Extension

Mr. Strichman noted that the project at 701 River Street is asking for an additional extension on the exclusive option agreement. Mr. Miller explained to the board that we set up the agent agreement with them already so that the work can begin. He advised that they are working to close on their tax credit syndication and financing in November and the last extension only carried them to the end of October. Mr. Miller advised that they are asking for a 60 day extension.

Lou Anthony made a motion to approve the 60 day extension of the exclusive option agreement for 701 River Street.

Hon. Anasha Cummings seconded the motion, motion carried.
