## **June 4, 2020 Public Forum**

Dear City Council Members,

I would like to encourage the City Council to move ahead on the distribution of the Neighborhood Improvement funds. In this of all times, it is most important to promote a feeling of normalcy for our residents. Many of the NIP projects plant flowers in our neighborhoods. Being surrounded by those flowers engenders a sense of well-being and normalcy. Even the act of planting the flowers, as they've done every year for decades, will help the NIP volunteers to cope with the uncertainty that we're experiencing. Don't hesitate to let me know if there is something I can do to facilitate the resumption of this process that can have such an on our citizens.

Thank you.

Marie Gavazzi, Troy
