Section 2. Due to the financial implications of the Covid-19 pandemic there has been an increase in the number of water bills that have gone unpaid and have incurred service charges.

Section 3. In these unique circumstances, the Treasurer shall issue a credit for any penalty imposed on City water or City sewer charges if the principal balance is paid during the month of October 2020.

MEMO IN SUPPORT

In an effort to provide assistance during the ongoing pandemic to those who have outstanding bills along with assistance to the City in the form of cash flow, this ordinance authorizes a credit for any City penalty charge(s) associated with water bills if the principal balance is paid during the month of October. This would apply to both City water and City sewer.

In essence this is an amnesty program similar in principle to the parking ticket amnesty program the City has already conducted in the 2020 fiscal year.

By approving this legislation it allows for a “win-win” scenario for both the resident who has an outstanding bill along with the City as it will improve the City’s cash flow position.
