

# Troy Mobility Hub: Project Update

*Little Italy Neighborhood  
Sept 20, 2023*

# What is Mobility Hub?

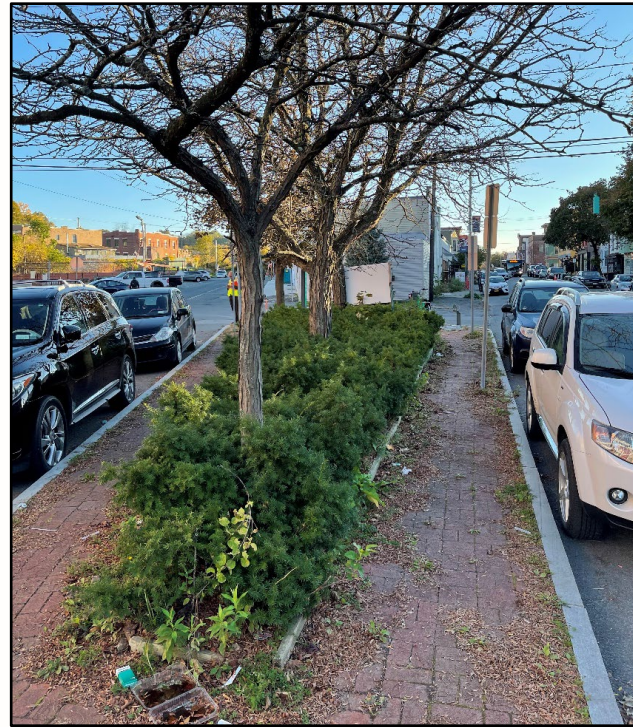

- Connections to transit and shared-use services
- CDTA investing in built environment near bus stops
  - Enhance waiting areas for transit users
  - Improve pedestrian infrastructure/access
  - Co-location of mobility services (CYCLE bike-share, DRIVE car-share, etc.)
- In partnership with municipalities

# Existing Conditions

---

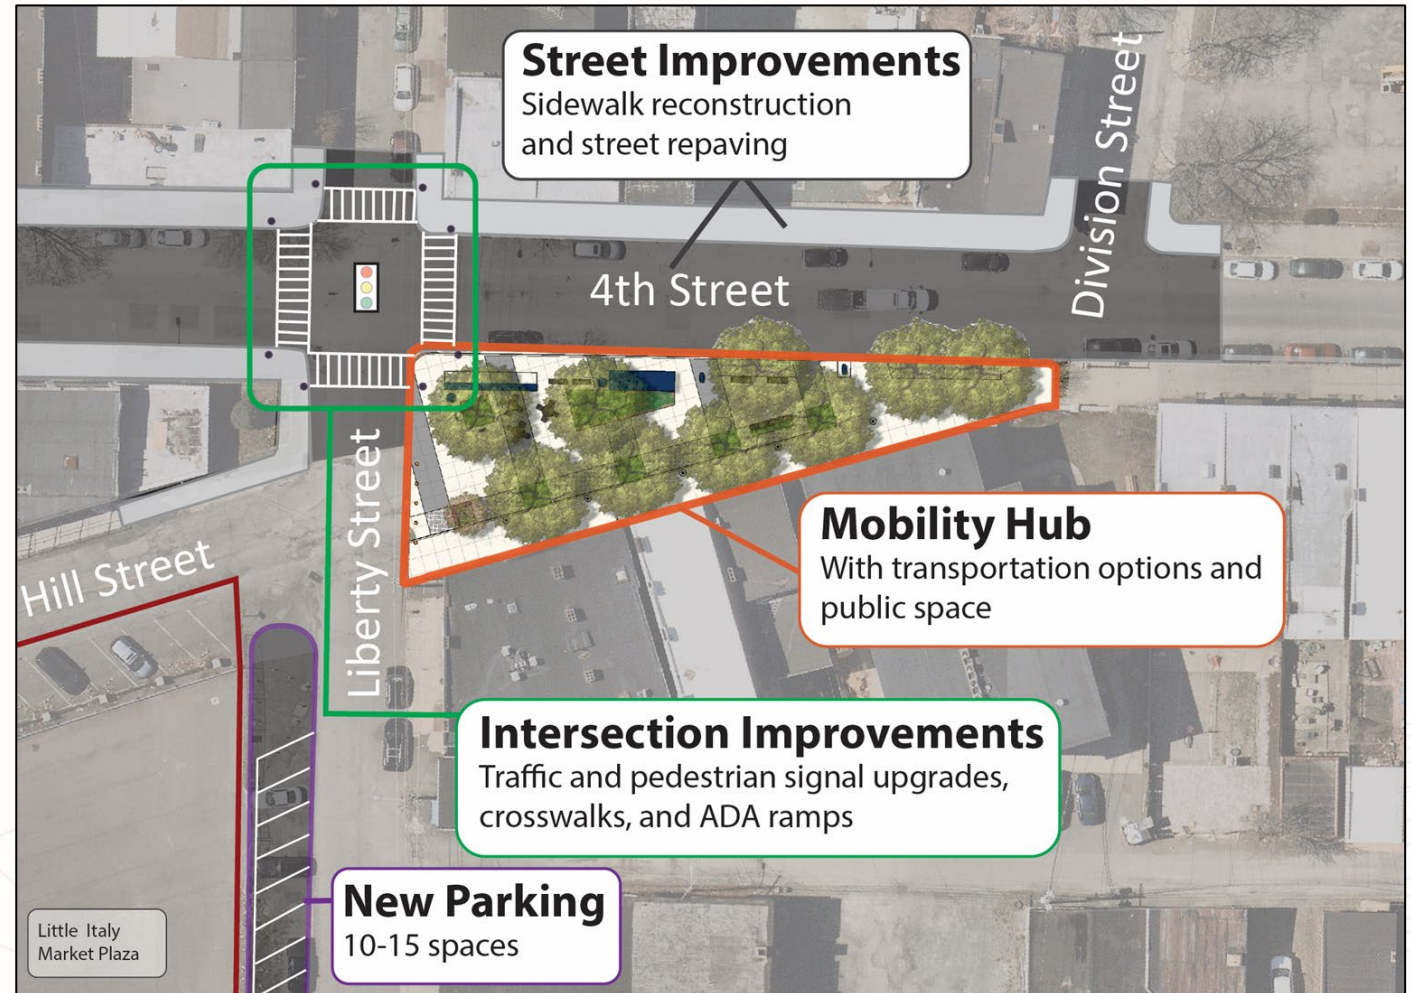

# Troy Mobility Hub location

- Identified by CDTA and City of Troy
- Safety improvements via closing of “slip lane”
- Complements 4<sup>th</sup> Street upgrades + future Little Italy Marketplace project

# Project Components

- Transportation amenities
- Enhanced public space
- Intersection improvements
- Parking spaces relocated

# One-Way Changes

# Next Steps

---

- CDTA will bid out mobility hub project late 2023
  - Construction anticipated to start spring 2024 (complete by summer)
  - Hill Street slip lane will be permanently closed (~April)
- Confirm name: “Hill Street” or “Liberty Square” mobility hub
