WHEREAS, pursuant to and in accordance with Chapter 563 of the Laws of 2015 and sections 859-a and 874 of the General Municipal Law ("GML"), the Authority requires, as a condition and as an inducement for it to provide any Financial Assistance, that the Company enter into this Agent Agreement for the purposes of, among other things, to govern administration of and provide assurances with respect to the provision and recapture of said Financial Assistance upon the terms herein set forth; and

WHEREAS, this Agreement sets forth the terms and conditions under which Financial Assistance shall be provided to the Company; and

WHEREAS, no agent status in favor of the Company or any subagent thereof, nor any amount of Financial Assistance shall be provided to the Company by the Authority prior to the effective date of this Agent Agreement.

NOW THEREFORE, in consideration of the covenants herein contained and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, it is mutually agreed as follows:

1. Purpose of Project and Scope of Authority. The purpose of the Authority's provision of Financial Assistance with respect to the Project is to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of the Project facility to advance job opportunities, health, general prosperity and economic welfare of the people of the City of Troy, and to specifically promote the investment commitment, employment commitment, and other commitments of the Company contained herein and within the Company's Application.

Pursuant to the Resolution, the Authority has appointed the Company as agent to undertake the Project, as defined herein and within the Resolution. The Company hereby agrees to limit its activities as agent for the Authority under the authority of the Resolution to acts reasonably related to the acquisition and installation of certain machinery, equipment and building materials, all for incorporation and installation thereof in and around the Facility. Pursuant to the Resolution and this Agent Agreement, the Company has the power to delegate such Authority, in whole or in part, to agents, subagents, contractors, subcontractors, contractors and subcontractors of such agents and subagents and to such other parties as the Company chooses including but not limited to the individuals and entities described on Schedule A attached hereto (collectively, the "Subagent"). The Company shall have the right to amend Schedule A from time to time and shall be responsible for maintaining an accurate list of all parties acting as agent for the Authority. The Company's right to appoint subagents is expressly conditioned upon updating of Schedule A, hereto, along with the timely filing of Form ST-60 (non-primary) for each subagent, with such updated Schedule A and a copy of and proof of filing of such ST-60 (non-primary) being immediately filed with the Authority. The right of the Company and all duly appointed subagents to act as agent of the Authority shall expire on

December 31, 2024, unless extended as contemplated by the Resolution. The aggregate amount of work performed by the Company and all subagents as agent for the Authority shall not exceed the amounts identified in the Resolution and Section 2(h)(i) of this Agreement.

All contracts entered into by the Company and all subagents thereof as agent for the Authority shall include the language contained within **Schedule B**, hereto. **Failure by the Company and/or any subagent thereof to include such language shall disqualify the agent status and sales tax exemptions derived by virtue of this Agent Agreement. The Company, for itself and on behalf of all duly appointed subagents, hereby agrees that all contracts entered into by the Company and any subagents thereof shall be available to the Authority for inspection and confirmation of the foregoing mandatory language.**

2. Representations and Covenants of the Company. The Company makes the following representations and covenants in order to induce the Authority to proceed with the Project/Facility:

(a) The Company is a limited liability company duly organized, validly existing and in good standing under the laws of the State of New York, has the authority to enter into this Agent Agreement, and has duly authorized the execution and delivery of this Agent Agreement.

(b) Neither the execution and delivery of this Agent Agreement, the consummation of the transactions contemplated hereby nor the fulfillment of or compliance with the provisions of this Agent Agreement will conflict with or result in a breach of any of the terms, conditions or provisions of any restriction or any agreement or instrument to which the Company is a party or by which it is bound, or will constitute a default under any of the foregoing, or result in the creation or imposition of any lien of any nature upon any of the property of the Company under the terms of any such instrument or agreement.

(c) The Facility and the operation thereof will conform with all applicable zoning, planning, and building laws and regulations of governmental authorities having jurisdiction over the Facility, and the Company shall defend, indemnify and hold the Authority harmless from any liability or expenses resulting from any failure by the Company to comply with the provisions of this subsection (c).

(d) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body pending or, to the knowledge of the Company, threatened against or affecting the Company, to which the Company is a party, and in which an adverse result would in any way diminish or adversely impact on the Company's ability to fulfill its obligations under this Agent Agreement.

(e) The Company covenants that the Facility will comply in all respects with all environmental laws and regulations, and, except in compliance with environmental laws and regulations, (i) that no pollutants, contaminants, solid wastes, or toxic or hazardous substances will be stored, treated, generated, disposed of, or allowed to exist on the Facility except in compliance with all material applicable laws, (ii) that the Company will take all reasonable and prudent steps to prevent an unlawful release of hazardous substances onto the Facility or onto

any other property, (iii) that no asbestos will be incorporated into or disposed of on the Facility, (iv) that no underground storage tanks will be located on the Facility, and (v) that no investigation, order, agreement, notice, demand or settlement with respect to any of the above is threatened, anticipated, or in existence. The Company upon receiving any information or notice contrary to the representations contained in this Section shall immediately notify the Authority in writing with full details regarding the same. The Company hereby releases the Authority from liability with respect to, and agrees to defend, indemnify, and hold harmless the Authority, its executive director, directors, members, officers, employees, agents (except the Company), representatives, successors, and assigns from and against any and all claims, demands, damages, costs, orders, liabilities, penalties, and expenses (including reasonable attorneys' fees) related in any way to any violation of the covenants or failure to be accurate of the representations contained in this Section. In the event the Authority in its reasonable discretion deems it necessary to perform due diligence with respect to any of the above, or to have an environmental audit performed with respect to the Facility, the Company agrees to pay the expenses of same to the Authority upon demand.

(f) Any personal property acquired by the Company in the name of the Authority shall be located in the City of Troy, except for temporary periods during ordinary use.

(g) In accordance with Section 1963-B of the PAL and Section 875(3) of the GML, the policies of the Authority, and the Resolution, the Company covenants and agrees that it may be subject to a Recapture Event Determination (as hereinafter defined) resulting in the potential recapture and/or termination of any and all Financial Assistance, as described below, if the Company receives, or any duly appointed subagents receives any Financial Assistance from the Authority, and it is determined by the Authority that:

(1) the Company or its Subagents, if any, authorized to make purchases for the benefit of the Project is not entitled to the sales and use tax exemption benefits; or

(2) the sales and use tax exemption benefits are in excess of the amounts authorized by the Authority to be taken by the Company or its Subagents, if any; or

(3) the sales and use tax exemption benefits are for property or services not authorized by the Authority as part of the Project; or

(4) the Company has made a material false or misleading statement, or omitted any information which, if included, would have rendered any information in the application or supporting documentation false or misleading in any material respect, on its application for Financial Assistance; or

(5) the Company fails to meet and maintain the thresholds and requirements representing certain material terms and conditions, said Material Term Commitment #1, and Material Term Commitment #2, all as further defined below, being the purposes to be achieved by the Authority with respect to its determination to provide Financial Assistance to the Project and required by the Authority to be complied with and adhered to, as evidenced by submission, as so required by the Authority, of written confirmation certifying and confirming on an annual basis beginning in the first year in which

Financial Assistance is so claimed, through the conclusion of the later of either: (i) two (2) years following the construction completion date or (ii) the termination of this Agent Agreement or the PILOT Agreement) (said date hereinafter referred to as the "Project Completion Date" and the time period so referenced being hereinafter defined as the "Material Terms and Conditions Monitoring Period") confirming:

(a) Material Term Commitment #1 – Company Capital Expenditures of no less than \$1,612,795.00; and

(b) Material Term Commitment #2 – Company Full Time Job Creation Minimum ("FTA") of 7 during construction of the Project and 1 upon completion of the Project.

In order to certify and verify the foregoing, the Company shall provide annually, to the Authority, a certified statement and documentation: i) enumerating the full time equivalent jobs retained and the full time equivalent jobs created as a result of the financial assistance, by category, including full time equivalent independent contractors or employees of independent contractors that work at the project location, (ii) indicating that the salary and fringe benefit averages or ranges for categories of jobs retained and jobs created that was provided in the application for Financial Assistance is still accurate and if it is not still accurate, providing a revised list of salary and fringe benefit averages or ranges for categories of jobs retained and jobs created, and (iii) such other information, as so requested from time to time, to enable the Authority to assess the progress of the Project toward achieving the investment, job retention, job creation, or other objectives of the Project indicated in the Application for Financial Assistance.

The Company shall annually complete and submit to the Authority the Annual Certification Report in the form attached hereto as **Exhibit F. Failure by the Company to complete and submit said form to the Authority by February 15 of each year during the Material Terms and Conditions Monitoring Period shall constitute an Event of Default hereunder, whereby the Authority, in its sole and absolute discretion, may terminate this Agreement and/or the PILOT Agreement and undertake a Recapture Event Determination.**

The findings made by the Authority with respect to Section 2(g)(1), (2), (3) and/or (4) and/or failure to provide the written confirmation as required by Section 2(g)(5) with respect to the thresholds and requirements as identified in Section 2(g)(5), above, and/or failure to meet the thresholds and requirements as identified in Section 2(g)(5) above, may potentially be determined by the Authority, in accordance with the Authority's "Project Recapture and Termination Policy", to constitute a failure to comply with Section 875(3) of the New York General Municipal Law, and/or a failure to comply with a material term or condition to use property or services or Authority Financial Assistance in the manner approved by the Authority in connection with the Project, and/or a failure to comply with the Authority's policies and Resolution (collectively, findings and determinations made as described herein with respect to Section 2(g)(1), (2), (3) and/or (4) and/or the failure under Section 2(g)(5) to submit the required certification and/or the failure to meet the required thresholds and requirements as specified in Section 2(g)(5) are hereby defined as a "Recapture Event Determination"). If the Authority makes a Recapture Event Determination, the Company agrees and covenants that it will (i)

cooperate with the Authority in its efforts to recover or recapture any or all Financial Assistance obtained by the Company and (ii) promptly pay over any or all such amounts to the Authority that the Authority demands in connection therewith. Upon receipt of such amounts, the Authority shall then redistribute such amounts to the appropriate affected tax jurisdiction(s). The Company further understands and agrees that in the event that the Company fails to pay over such amounts to the Authority, the New York State Tax Commissioner and/or local taxing authorities may assess and determine the Financial Assistance due from the Company, together with any relevant penalties and interest due on such amounts.

(h) In accordance with the Resolution and the Cost-Benefit Analysis (the "CBA") disclosed by the Authority at its public hearing for the Project (the "Public Hearing"), the Company further: (i) covenants that the purchase of goods and services relating to the Project and subject to New York State and local sales and use taxes are estimated in an amount up to **\$800,000.00**, and, therefore, the value of the sales and use tax exemption benefits authorized and approved by the Authority, subject to Section 2(g) of this Agent Agreement, cannot exceed **\$64,000.00**, and (ii) and confirms that real property tax abatement benefits to be provided to the Company shall conform to those disclosed within the CBA at the Public Hearing for the Project and as contained within the PILOT Agreement, a copy of such CBA and PILOT Agreement are attached hereto as **Exhibit D**.

The Company hereby acknowledges and agrees that the foregoing Authority Financial Assistance constitutes "public funds" unless otherwise excluded under Section 224-a(3) of the New York Labor Law, and by executing this Agreement, (i) confirms that it has received notice from the Authority pursuant to Section 224-a(8)(d) of the New York Labor Law and (ii) acknowledges its obligations pursuant to Section 224-a(8)(a) of the New York Labor Law. Other than the Authority Financial Assistance estimates provided herein and disclosed to the Company, the Authority makes no representations or covenants with respect to the total sources of "public funds" received by the Company in connection with the Project. If and to the extent that the Company determines that it is necessary and desirable to reduce the overall amount of "public funds" to be received by the Company in connection with the Project, the Authority agrees to work cooperatively with the Company to adjust the total amount of Authority Financial Assistance to be provided to the Company, which will include, but may not be limited to amending this Agreement and/or the PILOT Agreement (and if the term of the PILOT Agreement is modified, the corresponding terms of the Lease Agreement and Leaseback Agreement shall be modified accordingly).

(i) The Company further covenants and agrees to complete "IDA Appointment of Project Operator or Agent For Sales Tax Purposes" (NYS Form ST-60), in the form attached hereto as **Exhibit A**, for each Subagent, if any, and such other parties as the Company chooses who provide materials, equipment, supplies or services and forward said form to the State Department of Taxation and Finance within thirty (30) days of appointment.

(j) The Company acknowledges and agrees that all purchases made in furtherance of the Project shall be made using "IDA Agent or Project Operator Exempt Purchase Certificate" (NYS Form ST-123, a copy of which is attached hereto as **Exhibits B-1 and B-2**), and it shall be the responsibility of the Company (and not the Authority) to complete NYS Form ST-123. The Company acknowledges and agrees that it shall identify the Project on each bill and invoice for

such purchases and further indicate on such bills or invoices that the Company is making purchases of tangible personal property or services for use in the Project as agent of the Authority. For purposes of indicating who the purchaser is, the Company acknowledges and agrees that the bill or invoice should state, "I, [NAME OF COMPANY OR SUBAGENT], certify that I am a duly appointed agent of the TROY INDUSTRIAL DEVELOPMENT AUTHORITY and that I am purchasing the tangible personal property or services for use in the {COMPANY} Project located at 99 Ferry Street, Troy, New York 12180, IDA Project Number **3806-23-02A**". For convenience purposes, in the instance where the vendor does not print on each invoice the acknowledgment as described in the prior sentence, an "Invoice Rider" (a copy of which is attached hereto as **Exhibit B-3**) can be utilized for record keeping purposes.

(k) The Company further covenants and agrees to file an annual statement with the State Department of Taxation and Finance on "Annual Report of Sales and Use Tax Exemptions" (NYS Form ST-340, a copy of which is attached hereto as **Exhibit C**) regarding the value of sales and use tax exemptions the Company and its Subagents, if any, have claimed pursuant to the Authority conferred on the Company with respect to the Project in accordance with General Municipal Law Section 874(8). The Company further covenants and agrees that it will, within thirty (30) days of each filing, provide a copy of same to the Authority; provided, however, in no event later than February 15th of each year. The Company understands and agrees that the failure to file such annual statement will result in the removal of the Company's authority to act as agent for the Authority.

(l) The Company acknowledges and agrees that, except to the extent of bond proceeds (to the extent bonds are issued by the Authority with respect to the Project), the Authority shall not be liable, either directly or indirectly or contingently, upon any such contract, agreement, invoice, bill or purchase order in any manner and to any extent whatsoever (including payment or performance obligations), and the Company shall be the sole party liable thereunder.

(m) The Company covenants and agrees that at all times during the Material Terms and Conditions Monitoring Period, it will (i) maintain its existence and not dissolve, (ii) continue to be a limited liability company subject to service of process in the State and either organized under the laws of the State, or organized under the laws of any other state of the United States and duly qualified to do business in the State, (iii) not liquidate, wind-up or dissolve or otherwise sell, assign, or dispose of all or substantially all of its property, business or assets. This Agreement may not be assigned in whole or part without the prior written consent of the Authority

(n) The Company confirms and acknowledges under the penalty of perjury that as of the date hereof, the Company, as owner, occupant, or operator of the Project receiving Financial Assistance from the Authority in connection with the Project, is in substantial compliance with all applicable local, state and federal tax, worker protection and environmental laws, rules and regulations. The Company agrees that it will, throughout the term of this Agent Agreement, promptly comply in all material respects with all statutes, codes, laws, acts, ordinances, orders, judgments, decrees, injunctions, rules, regulations, permits, licenses, authorizations, directions and requirements of all federal, state, county, municipal and other governments, departments, commissions, boards, companies or associations insuring the premises, courts, authorities, officials and officers, foreseen or unforeseen, ordinary or extraordinary, which now or at any

time hereafter may be applicable to the Facility or any part thereof, or to any use, manner of use or condition of the Facility or any part thereof. Notwithstanding the foregoing, the Company may in good faith contest the validity of the applicability of any requirement of the nature referred to this Section 2(p). In such event, the Company, with the prior written consent of the Authority (which shall not be unreasonably conditioned, delayed or withheld) may fail to comply with the requirement or requirements so contested during the period of such contest and any appeal therefrom unless the Authority shall notify the Company that it must comply with such requirement or requirements.

3. Hold Harmless Provision. The Company hereby releases the Authority from, agrees that the Authority shall not be liable for, and agrees to indemnify, defend and hold the Authority and its executive director, directors, members, officers, employees, agents (except the Company), representatives, successors and assigns harmless from and against, any and all (i) liability for loss or damage to property or injury to or death of any and all persons that may be occasioned by any cause whatsoever pertaining to the Facility or arising by reason of or in connection with the occupation or the use thereof or the presence on, in or about the Facility or breach by the Company of this Agent Agreement or (ii) liability arising from or expense incurred by the Authority's financing, acquiring, constructing, rehabilitating, renovating, equipping, owning and leasing of the Equipment or of the Facility, including without limiting the generality of the foregoing, all causes of action and reasonable attorneys' fees and any other expenses incurred in defending any suits or actions which may arise as a result of any of the foregoing. The foregoing indemnities shall apply notwithstanding the fault or negligence on the part of the Authority, or any of its respective executive director, directors, members, officers, agents or employees and irrespective of the breach of a statutory obligation or the application of any rule of comparative or apportioned liability, except that such indemnities will not be applicable with respect to willful misconduct or gross negligence on the part of the Authority or any other person or entity to be indemnified.

4. Insurance Required. Effective as of the date hereof and until the Authority consents in writing to a termination, the Company shall maintain or cause to be maintained insurance against such risks and for such amounts as are customarily insured against by businesses of like size and type paying, as the same become due and payable, all premiums in respect thereto. Such insurance shall be provided, in whole or in part, either through insurance carriers meeting the requirements of this Agreement or through a funded self-insurance program, and shall include, but not necessarily be limited to:

(a) (i) Insurance against loss or damage by fire, lightning and other casualties, with a uniform standard extended coverage endorsement, such insurance to be in an amount not less than the full replacement value of the Facility, exclusive of excavations and foundations, as determined by a recognized appraiser or insurer selected by the Company or (ii) as an alternative to the above requirements (including the requirement of periodic appraisal), the Company may insure the Facility under a blanket insurance policy or policies covering not only the Facility but other properties as well.

(b) Worker's compensation insurance, disability benefits insurance, and each other form of insurance which the Authority or the Company is required by law to provide, covering

loss resulting from injury, sickness, disability or death of employees of the Company who are located at or assigned to the Facility.

(c) Insurance against loss or losses from liabilities imposed by law or assumed in any written contract and arising from personal injury and death or damage to the property of others caused by any accident or occurrence, with limits of not less than \$1,000,000 per accident or occurrence on account of personal injury, including death resulting therefrom, and \$1,000,000 per accident or occurrence on account of damage to the property of others, excluding liability imposed upon the Company by any applicable worker's compensation law; and a blanket excess liability policy in the amount not less than \$5,000,000, protecting the Company against any loss or liability or damage for personal injury or property damage.

5. Additional Provisions Respecting Insurance. (a) Such insurance may be written with deductible amounts comparable to those on similar policies carried by other companies engaged in businesses similar in size, character and other respects to those in which the Company is engaged. All policies evidencing such insurance shall provide for payment of the losses of the Company and the Authority as their respective interests may appear. The Company shall cause all contractors and agents of the Company undertaking the Project to carry and provide evidence of insurance as required within Section 4(a) and 4(b) of this Agreement, with the Authority named as an additional insured.

(b) All such certificates of insurance of the insurers indicating that such insurance is in force and effect, and all policies (if applicable), shall be deposited with the Authority on the date hereof. At least thirty (30) days prior to expiration of the policy evidenced by said certificates, the Company shall furnish the Authority evidence that the policy has been renewed or replaced or is no longer required by this Agent Agreement.

6. This Agent Agreement may be executed in any number of counterparts each of which shall be deemed an original but which together shall constitute a single instrument.

7. All notices, claims and other communications hereunder shall be in writing and shall be deemed to be duly given if personally delivered or mailed first class, postage prepaid, or by a nationally-recognized overnight courier, addressed as follows:

10. The parties are contemplating that unless the Authority and Company enter into a Lease Agreement (the "Lease Agreement"), and related Leaseback Agreement (the "Leaseback Agreement"), the Company agrees not to take title to any real property as agent for the Authority. 11. By executing this Agent Agreement, the Company covenants and agrees to pay all fees, costs and expenses incurred by the Authority for (a) legal services, including but not limited to those provided by the Authority's general counsel or bond/transaction counsel, (b) other consultants retained by the Authority, if any, in connection with the Project; and (c) with respect to Authority's enforcement of any event of default or failure to comply with the terms of this Agent Agreement (including reasonable attorney fees). The Company further covenants and agrees that the Company is liable for payment to the Authority of all charges referred to above, as well as all other actual costs and expenses incurred by the Authority in undertaking the Project notwithstanding the occurrence of any of (i) the Company's withdrawal, abandonment, cancellation or failure to pursue the Project; (ii) the inability of the Authority or the Company to procure the services of one or more financial institutions to provide financing for the Project; or

(iii) the Company's failure, for whatever reason, to undertake and/or successfully complete the Project.

THIS PAYMENT IN LIEU OF TAX AGREEMENT (the "Agreement"), dated as of the 14th day of July, 2023, by and between the **TROY INDUSTRIAL DEVELOPMENT AUTHORITY**, a public benefit corporation of the State of New York, having its offices at 433 River Street, 5th Floor, Troy, New York 12180 (the "Authority") and **LLH FERRY LLC**, a New York limited liability company having offices at 99 Ferry Street, Troy, New York 12180 (the "Company").

WITNESSETH:

WHEREAS, by Title 11 of Article 8 of the Public Authorities Law of the State of New York (the "State"), as amended, and Chapter 759 of the Laws of 1967 of the State of New York, as amended (hereinafter collectively called the "Act"), the Authority was created with the authority and power to own, lease and sell property in furtherance of certain projects necessary and suitable for manufacturing, warehousing, research, commercial or industrial purposes as authorized by Section 1951 of the Act; and

WHEREAS, the Company has submitted an application (the "Application") to the Authority requesting the Authority's assistance with a certain project (the "Project") consisting of (i) the acquisition by the Authority of a leasehold interest in an approximately 0.05 acre parcel of land located at 99 Ferry Street, Troy, New York 12180 (the "Land", being more particularly identified as TMID No. 101.61-7-16) and the existing improvements located thereon consisting of approximately 7,008 sf of multi-story building spaces (the "Existing Improvements"), (ii) the renovation of the Existing Improvements and the planning, design, engineering, construction and operation of a mixed use commercial and residential facility containing approximately 2,336 sf of commercial space and 8 market rate rental apartment units, all to be leased by the Company to commercial and residential tenants, including building improvements, modifications, upgrades, and related site and exterior improvements (collectively, the "Improvements"), (iii) the acquisition and installation by the Company in and around the Land, Existing Improvements and Improvements of certain items of equipment and other tangible personal property necessary and incidental in connection with the Company's development of the Project in and around the Land, Existing Improvements and Improvements (the "Equipment", and collectively with the Land, the Existing Improvements and the Improvements, the "Facility"), and (iv) the lease of the Facility to the Company; and

WHEREAS, in order to induce the Company to acquire, renovate, construct and equip the Facility, the Authority is willing to take a leasehold interest in the Land, Existing Improvements and personal property constituting the Facility as of the date hereof pursuant to a certain Lease Agreement (the "Lease Agreement") and lease the Land, Existing Improvements, Improvements and personal property back to the Company pursuant to the terms and conditions of a certain Leaseback Agreement (the "Leaseback Agreement"), each dated as of the date hereof; and

WHEREAS, pursuant to Section 1963 of the Act, the Authority is exempt from the payment of taxes imposed upon real property and improvements owned by it or under its

jurisdiction, control or supervision, other than special ad valorem levies, special assessments and service charges against real property which are or may be imposed for special improvements or special district improvements; and

WHEREAS, the Authority and the Company deem it necessary and proper to enter into an agreement making provisions for payments in lieu of taxes by the Company to the Authority for the benefit of the County of Rensselaer (the "County"), the City of Troy (the "City"), and the Enlarged City School District of Troy (hereinafter the "School District" or "School" and, collectively with the County and the City, the "Affected Tax Jurisdictions").

NOW, THEREFORE, in consideration of the covenants herein contained and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is mutually agreed as follows:

Section I - Payment in lieu of Ad Valorem Taxes:

1.1 A. Subject to the completion and filing by the Authority on or before the taxable status date of March 1, 2024 (the "Taxable Status Date") of New York State Form RP-412-a Application For Real Property Tax Exemption (the "Exemption Application") under RPTL Section 412 and Section 1963 of the Act and the approval of the Exemption Application by the appropriate assessors or Board of Assessment Review, the Land and Existing Improvements, and Improvements once constructed, shall be fully exempt from Real Estate Taxes commencing with the 2025 City and County tax years and the 2024-2025 School tax year, and continuing through the termination date, as defined herein. **The Company shall timely pay all Real Estate Taxes levied and accruing against the Facility prior to the above-described tax years.** For purposes of the foregoing "Real Estate Taxes" means all general levy real estate taxes levied against the Facility by the County, City and School. The Company shall provide to the Authority the information necessary for the completion and filing of the Exemption Application and shall provide such additional information and take such actions as are required by the appropriate assessors or Board of Assessment Review to process and approve the Exemption Application. Notwithstanding anything contained herein or in the Leaseback Agreement to the contrary, in the event the exemption from Real Estate Taxes is denied for any reason, the Company shall pay (and hereby agrees to pay) all Real Estate Taxes levied upon the Facility as they become due. After giving written notice to the Authority, the Company may in good faith contest the denial of the Exemption Application, provided that (i) the overall operating efficiency of the Facility is not impaired and the Facility continues to qualify as a "project" under the Act; (ii) neither the Facility nor any part of or interest therein has been declared in default under any document for which an interest in the Facility could be sold, forfeited or lost; and (iv) neither the Company nor the Authority, as a result of such contest, shall be in any danger of any civil or criminal liability. The Company hereby waives any claim or cause of action against the Authority, and releases the Authority from any liability to the Company, arising from the denial of an exemption from Real Estate Taxes except to the extent that such denial results solely from the failure of the Authority to file the Exemption Application with the appropriate assessors or Board of Assessment Review by the Taxable Status Date.

B. Payee. As long as the Facility is owned by the Authority or leased by the Company to the Authority, or under the Authority's jurisdiction, control or supervision, the Company agrees to pay annually in the aggregate to the Affected Tax Jurisdictions as a payment in lieu of taxes, on or before **February 1** (City and County) and **October 1** (School) of each year (collectively, the "Payment Dates"), commencing on **October 1, 2024**, an amount equal to the Total PILOT payment, as defined in Schedule A, hereto.

The parties agree and acknowledge that payments made hereunder are to obtain revenues for public purposes, and to provide a revenue source that the Affected Tax Jurisdictions would otherwise lose because the subject parcels are not on the tax rolls.

1.2 Allocation. The Authority shall remit to the Affected Tax Jurisdictions amounts received hereunder, if any, within thirty (30) days of receipt of said payment and shall allocate said payments among the Affected Tax Jurisdictions in the same proportion as ad valorem taxes would have been allocated but for the Authority's involvement, unless the Affected Tax Jurisdictions have consented in writing to a specific allocation.

1.3 Tax Rates. For purposes of determining the allocation of the Total PILOT Payment among the Affected Tax Jurisdictions, the Authority shall use the last tax rate utilized for levy of taxes by each such jurisdiction. For County, City and special district purposes, the tax rates used to determine the allocation of the Total PILOT Payment shall be the tax rates relating to the calendar year which includes the PILOT payment due date. For School District purposes, the tax rates used to determine the allocation of the Total PILOT payment shall be the rate relating to the school year which includes the PILOT payment due date.

1.4 Valuation of Future Additions to the Facility: If there shall be a future addition to the Facility constructed or added in any manner after the date of this Agreement (excluding the Improvements, as defined herein), the Company shall notify the Authority of such future addition ("Future Addition"). The notice to the Authority shall contain a copy of the application for a building permit, plans and specifications, and any other relevant information that the Authority may thereafter request. Upon the earlier of substantial completion, or the issuance of a certificate of occupancy for any such Future Addition to the Facility, the Company shall become liable for payment of an increase in the Total PILOT Payment. The Authority shall notify the Company of any proposed increase in the Total PILOT Payment related to such Future Addition. If the Company shall disagree with the determination of assessed value for any Future Additions made by the Authority, then and in that event that valuation shall be fixed by a court of competent jurisdiction. Notwithstanding any disagreement between the Company and the Authority, the Company shall pay the increased Total PILOT payment until a different Total PILOT Payment shall be established. If a lesser Total PILOT Payment is determined in any proceeding or by subsequent agreement of the parties, the Total PILOT Payment shall be re-computed and any excess payment shall be refunded to the Company or, in the Authority's sole discretion, such excess payment shall be applied as a credit against the next succeeding PILOT payment(s).

1.5 Period of Benefits. The tax benefits provided for herein shall be deemed to include (i) the 2025 County and City tax year through the 2031 County and City tax year, and

(iii) the 2024-2025 School tax year through the 2030-2031 School tax year. This PILOT Agreement shall expire on **December 31, 2031**; *provided, however*, the Company shall pay the 2032 County and City tax bill and the 2031-2032 School tax bill on the dates and in the amounts as if the Authority were not in title on the tax status date with respect to said tax years. In no event shall the Company be entitled to receive tax benefits relative to the Facility for more than the periods provided for herein, unless the period is extended by amendment to this Agreement executed by both parties after any applicable public hearings. The Company agrees that it will not seek any tax exemption for the Facility which could provide benefits for more than the periods provided for herein and specifically agrees that the exemptions provided for herein, to the extent actually received (based on the number of lease years elapsed), supersede and are in substitution of the exemptions provided by Section 485-b and 485-e of the New York Real Property Tax Law ("RPTL"). It is hereby agreed and understood that the Affected Tax Jurisdictions can rely upon and enforce the above waiver to the same extent as if they were signatories hereto.

Section II - Special District Charges, Special Assessments and Other Charges

2.1 Special district charges, special assessments, and special ad valorem levies (specifically including but not limited to any library and business improvement district charges), and pure water charges and sewer charges (collectively, "Special District Charges") are to be paid in full in accordance with normal billing practices, subject to any applicable exemptions afforded according to the laws of the State, County or City, as may be amended from time to time.

Section III - Transfer of Facility.

3.1 In the event that the Lease Agreement is terminated, and the Company is ineligible for a continued tax exemption under some other tax incentive program, or the exemption results in a payment to the Affected Tax Jurisdictions in excess of the payment described in Section I herein, or this Agreement terminates and the property is not timely transferred back to the Company, the Company agrees to pay no later than the next tax lien date (plus any applicable grace period), to each of the Affected Tax Jurisdictions, an amount equal to the taxes and assessments which would have been levied on the Facility (taking into account any Total PILOT Payment previously made by the Company for the applicable PILOT year) if the Facility had been classified as fully taxable as of the date of transfer or loss of eligibility of all or a portion of the exemption described herein or date of termination.

Section IV - Assessment Challenges.

4.1 The Company shall have all of the rights and remedies of a taxpayer as if and to the same extent as if the Company were the owner of the Facility with respect to any proposed Special District Charge, special assessment or change in assessment with respect to the Added Value of the Facility by any of the Affected Tax Jurisdictions relating to any Special District Charge and/or such Added Value and likewise shall be entitled to protest before and be heard by the appropriate assessors or Board of Assessment Review, and shall be entitled to take any and all appropriate appeals or initiate any proceedings to review the validity or amount of any

proposed Special District Charge and/or such Added Value. However, the Company shall in all events make timely payments of all Total PILOT Payments due hereunder and no assessment challenge by the Company shall affect or cause to invalidate the amount of any tax equivalent provided for herein with respect to the Base Value.

4.2 Where appropriate pursuant to the provisions of this Section IV, the Company shall (i) cause the appropriate real estate tax assessment office and tax levy officers to assess the Facility and apply tax rates to the respective assessments as if the Facility were owned by the Company, (ii) file any accounts or tax returns required by the appropriate real estate tax assessment office and tax levy officers.

Section V - Changes in Law.

5.1 To the extent the Facility is declared to be subject to taxation or assessment by an amendment to the Act, other legislative change, or by final judgment of a Court of competent jurisdiction, the obligations of the Company hereunder shall, to such extent, be null and void.

Section VI - Events of Default.

6.1 The following shall constitute "Events of Default" hereunder. The failure by the Company (or any authorized assignee hereunder) to: (i) make the payments described in Section I on or before the Payment Date (the "Delinquency Date"), and such failure continues and remains uncured for a period of thirty (30) days after written notice thereof is sent to the Company; (ii) make any other payments described herein on or before the last day of any applicable cure period within which said payment can be made without penalty, and such failure continues and remains uncured for a period of thirty (30) days after written notice thereof is sent to the Company; (iii) the occurrence and continuance of any events of default after the expiration of any applicable notice and cure periods under the Leaseback Agreement; or (iv) the occurrence and continuance of any events of default after the expiration of any applicable notice or cure periods under any Permitted Mortgage, as defined within the Leaseback Agreement. Upon the occurrence and during the continuance of any Event of Default hereunder, in addition to any other right or remedy the Authority and/or the Affected Tax Jurisdictions may have at law or in equity, the Authority and/or Affected Tax Jurisdictions may, immediately and without further notice to the Company (but with notice to the Authority with respect to actions maintained by the Affected Tax Jurisdictions) pursue any action in the courts to enforce payment or to otherwise recover directly from the Company any amounts so in default. The Authority and the Company hereby acknowledge the right of the Affected Tax Jurisdictions to recover directly from the Company any amounts so in default pursuant to applicable provisions of the Act and the Company shall immediately notify the Authority of any action brought, or other measure taken, by any Affected Tax Jurisdiction to recover any such amount.

Year 1	2025	2024-2025	Base Valuation, plus (Added Value x .00)
Year 2	2026	2025-2026	Base Valuation, plus (Added Value x .00)

Year 7	2031	2030-2031	Base Valuation, plus (Added Value x .50)

For the term of this PILOT Agreement, the Company shall pay full taxes based on a Full Market Value (as may be equalized) to be fixed at **\$157,895.00** for the term hereof (the “Base Valuation”). The Total Taxable Valuation for each Total PILOT Payment shall be calculated such that a graduated abatement factor (“Abatement Factor”) shall be applied to the increased assessed valuation attributable to the Improvements made to the Facility by the Company, as an Agent of the Authority, for the Project (the “Added Value”). The abatement schedule shall allow for an 100% exemption from taxation for the Added Value in PILOT Years one through three, with such exemption being reduced in accordance with the schedule above. Once the Total Taxable Valuation is established using the Abatement Factor, the Total PILOT Payment shall be determined by multiplying the Total Taxable Valuation by the respective tax rate for each affected tax jurisdiction (after application of any applicable equalization rate). After the seventh PILOT Year, the Facility shall be subject to full taxation by the affected taxing jurisdictions.

Total Taxable Valuation = Base Valuation + (Added Value x Abatement Factor)
Total PILOT Payment = Total Taxable Valuation (after equalization) x Tax Rate
