NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE TROY INDUSTRIAL DEVELOPMENT AUTHORITY AS FOLLOWS:

Section 1. The Company has presented an application in a form acceptable to the Authority. Based upon the representations made by the Company to the Authority in the Company's application and in related correspondence, the Authority hereby finds and determines that:

(A) By virtue of the Act, the Authority has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) The Authority has the authority to take the actions contemplated herein under the Act; and

(C) The action to be taken by the Authority will induce the Company to develop the Project, thereby increasing employment opportunities in the City of Troy, New York, and otherwise furthering the purposes of the Authority as set forth in the Act; and

(D) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Authority hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries; and

(E) Based upon review of the Application, the EAF and the Negative Declaration issued by the City of Troy Planning Commission and submitted to the Authority, the Authority hereby:

(i) consents to and affirms the status of the City of Troy Planning Commission as Lead Agency for review of the Facility, within the meaning of, and for all purposes of complying with SEQRA;

(ii) ratifies the proceedings undertaken by the City of Troy Planning Commission as Lead Agency under SEQRA with respect to the construction and equipping of the Facility pursuant to SEQRA; and

(iii) finds that the Project involves a "Type I Action" (as such quoted term is defined under SEQRA). The review is "coordinated" (as such quoted term is defined under SEQRA). Based upon the review by the Authority of the EAF and related documents delivered by the Company to the Authority and other representations made by the Company to the Authority in connection with the Project, the Authority hereby finds that (i) the Project will result in no major impacts and, therefore, is one which may not cause significant damage to the environment; (ii) the Project will not have a "significant effect on the environment" (as such quoted term is defined under SEQRA); and (iii) no "environmental impact statement" (as such quoted term is defined under SEQRA) need be prepared for this action. This determination constitutes a "negative declaration" (as such quoted terms are defined under SEQRA) for purposes of SEQRA.

(F) Based upon the Authority's review of the Application submitted by the Company, along with supporting materials, the Project will include facilities or property that are primarily used in making retail sales, as defined within Section 862(2) of the Act, to customers who personally visit the Facility. Notwithstanding the foregoing, and based upon the Application and supporting materials prepared and presented by the Company to the Authority, and pursuant to

Section 1953 of the Act, the Project will be located in a “Highly Distressed Area”, as defined pursuant to the Act. In accordance with the foregoing, and pursuant to Section 1953 of the Act, the Authority hereby finds that the undertaking of the Project will serve the public purposes of the Act by preserving permanent, private sector jobs and/or increasing the overall number of permanent, private sector jobs in the State.

Section 2. The Authority hereby accepts the Minutes of the Public Hearing and approves the provision of the proposed Financial Assistance to the Company, including (i) a sales and use tax exemption for materials, supplies and rentals acquired or procured in furtherance of the Project by the Company as agent of the Authority; (ii) mortgage recording tax exemption(s) in connection with secured financings undertaken by the Company in furtherance of the Project; and (iii) an abatement or exemption from real property taxes levied against the Land and Facility pursuant to a PILOT Agreement.

Section 3. Subject to (i) the receipt by the Authority of a Confirming Certificate from the City Mayor pursuant to Section 1953 of the Act, (ii) the Company executing the Leaseback Agreement and/or a related Agent Agreement, and (iii) the delivery to the Authority of a binder, certificate or other evidence of liability insurance policy for the Project satisfactory to the Authority, the Authority hereby authorizes the undertaking of the Project, including the acquisition of a leasehold interest in the Land and Existing Improvements pursuant to the Lease Agreement and related recording documents, the form and substance of which shall be approved as to form and content by counsel to the Authority. Subject to the within conditions, the Authority further authorizes the execution and delivery of the Leaseback Agreement, wherein the Company is authorized to undertake the construction and equipping of the Improvements and hereby appoints the Company as the true and lawful agent of the Authority: (i) to acquire, construct and equip the Improvements and acquire and install the Equipment; (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Authority with the authority to delegate such agency, in whole or in part, to agents, subagents, contractors, and subcontractors of such agents and subagents and to such other parties as the Company chooses; and (iii) in general, to do all things which may be requisite or proper for completing the Project, all with the same powers and the same validity that the Authority could do if acting in its own behalf. The foregoing authorization and appointment by the Authority of the Company as agent to undertake the Project shall expire on December 31, 2024, unless extended by the Executive Director of the Authority upon written application by the Company.

Based upon the representation and warranties made by the Company the Application, the Authority hereby authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an amount up to **\$4,750,000.00**, which result in New York State and local sales and use tax exemption benefits (“sales and use tax exemption benefits”) not to exceed **\$380,000.00**. The Authority agrees to consider any requests by the Company for increase to the amount of sales and use tax exemption benefits authorized by the Authority upon being provided with appropriate documentation detailing the additional purchases of property or services, and, to the extent required, the Authority authorizes and conducts any supplemental public hearing(s).

Pursuant to Section 1963-b of the Act, the Authority may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any sales and use tax exemption benefits taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the sales and use tax exemption benefits; (ii) the sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the sales and use tax exemption benefits are for property or services not authorized by the Authority as part of the Project; (iv) the Company has made a material false statement on its application for financial assistance; (v) the sales and use tax exemption benefits are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project fails to comply with a material term or condition to use property or services in the manner approved by the Authority in connection with the Project; and/or (vi) the Company obtains mortgage recording tax benefits and/or real property tax abatements and fails to comply with a material term or condition to use property or services in the manner approved by the Authority in connection with the Project (collectively, items (i) through (vi) hereby defined as a “Recapture Event”).

As a condition precedent of receiving sales and use tax exemption benefits, mortgage recording tax exemption benefits, and real property tax abatement benefits, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, must (i) if a Recapture Event determination is made by the Authority, cooperate with the Authority in its efforts to recover or recapture any sales and use tax exemption benefits, mortgage recording tax benefits and/or real property tax abatements abatement benefits, and (ii) promptly pay over any such amounts to the Authority that the Authority demands, if and as so required to be paid over as determined by the Authority.

Section 4. The Chairman, Vice Chairman, and/or Executive Director/Chief Executive Officer of the Authority are hereby authorized, on behalf of the Authority, to execute, deliver (A) the Agent Agreement, wherein the Authority will appoint the Company as agent to undertake the Project, (B) the Lease Agreement, pursuant to which the Company will lease its interest in the Land, Existing Improvements, Improvements and Equipment constituting the Facility to the Authority, (C) the Leaseback Agreement, pursuant to which the Authority will lease its interest in the Land, Existing Improvements, Improvements and Equipment constituting the Facility back to the Company, (D) the PILOT Agreement pursuant to which the Company shall be required to make certain PILOT Payments to the Authority for the benefit of the Affected Taxing Jurisdictions (along with a related PILOT Mortgage Agreement, or in the discretion of the Executive Director, a sufficient guaranty of performance under the Leaseback Agreement and PILOT Agreement), and (E) related documents, including, but not limited to, Sales Tax Exemption Letter(s), Bills(s) of Sale and related instruments; provided the rental payments under the Leaseback Agreement include payments of all costs incurred by the Authority arising out of or related to the Project and indemnification of the Authority by the Company for actions taken by the Company and/or claims arising out of or related to the Project.

Section 5. The Chairman, Vice Chairman and/or the Executive Director/Chief Executive Officer of the Authority are hereby further authorized, on behalf of the Authority, and to the extent necessary, to execute and deliver any mortgage, assignment of leases and rents, security agreement, UCC-1 Financing Statements and all documents reasonably contemplated by these resolutions or required by any lender identified by the Company (the “Lender”) up to a maximum principal amount necessary to undertake the Project and/or finance/refinance acquisition and Project costs, equipment and other personal property and related transactional costs, and, where appropriate, the Secretary or Assistant Secretary of the Authority is hereby authorized to affix the seal of the Authority to the Authority Documents and to attest the same, all with such changes, variations, omissions and insertions as the Chairman, Vice Chairman and/or the Executive Director/Chief Executive Officer of the Authority shall approve, the execution thereof by the Chairman, Vice Chairman or the Executive Director/Chief Executive Officer of the Authority to constitute conclusive evidence of such approval; provided, in all events, recourse against the Authority is limited to the Authority’s interest in the Project.

Section 6. The officers, employees and agents of the Authority are hereby authorized and directed for and in the name and on behalf of the Authority to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Authority with all of the terms, covenants and provisions of the documents executed for and on behalf of the Authority.
