Update: April 14, 2017

Scheduled excavation and installation operations associated with the Water Transmission Line Replacement Project continued during the week of April 10. There will be a brief pause in operations associated with the project while required piping and fittings are being delivered. There is no anticipated change in the project schedule at this time.

For more information or questions pertaining to the Water Transmission Line Replacement Project, please contact the City of Troy Department of Public Utilities at (518) 237-0319 or (518)-237-0241 (after hours).
