### **Update: June 16, 2017**

Due to unanticipated issues associated with the installation and inspection of the currently installed water line, and delays from National Grid on re-routing a local gas line in the vicinity of the work area the valve installation initially scheduled for Monday, June 19 has been delayed.

Work will continue next week (June 19 through June 23) on 121st between 3rd and 4th Avenue. Drivers are asked to exercise caution and observe all posted road closures in the vicinity of the work area.

For more information or questions pertaining to the Water Transmission Line Replacement Project, please contact the City of Troy Department of Public Utilities at (518) 237-0319 or (518)-237-0241 (after hours).
