

Ice Fishing Clinic

Tomhannock Reservoir

January 20, 2018, 9:00 am - 2:00 pm

Ice conditions permitting, the **New York State Department of Environmental Conservation** will be holding a free ice fishing clinic at the Tomhannock Reservoir on Saturday, Jan. 20th.

Anglers of all ages and experience levels are invited to participate. During this fishing clinic **NO FISHING LICENSE OR CITY ACCESS PERMIT WILL BE REQUIRED**; all other fishing regulations will remain in effect. All ice fishing gear will be supplied for participants. Participants are asked to wear appropriate winter attire!

This is a great opportunity to try out ice fishing to see if it is something that you are interested in before purchasing all of the equipment yourself. Event staff will be available to help anglers and answer any questions!

The clinic will be held at the DEC angler parking lot, located on NY Route 7/Lake Shore Road, Pittstown, NY 12094. The alternative clinic date will be February 3rd.
