## **Troy Officials: Earth Day Cleanup Informational Meeting Announced**

**TROY, NY** – Mayor Madden today announced the City of Troy will hold an informational meeting for the Collar City’s annual Earth Day Cleanup event. The meeting will be held at 6:00pm, Monday, March 18<sup>th</sup>, in the Main Conference Room at City Hall (433 River Street). All interested residents and community organizations are invited to attend and provide information on neighborhood cleanup projects.

**Mayor Madden said**, “Building a cleaner, greener community is what Earth Day is all about, and our annual citywide cleanup gives residents an opportunity to make a direct and positive impact in their neighborhood. Community involvement is a critical part of a successful Earth Day event, and I encourage residents to attend and participate in this year’s improvement program.”

Each year, residents, families and business owners come together during Earth Day to organize community-driven cleanup and beautification projects at local parks, green spaces, and neighborhoods across Troy. In 2018, more than 18 individual projects were organized with over a hundred participants lending a hand to improve their corner of the Collar City.
