## **City Officials Announce 2019 Roadway Improvement Work Schedule**

**TROY, NY** – City officials today announced the Collar City’s summer street paving program is officially underway. The first round of paving began earlier this month, with city of Troy crews and contractors conducting targeted resurfacing operations in neighborhoods across the city.

Additional streets will be announced as scheduled. All work is weather dependent and subject to change. Residents are asked to observe posted parking restrictions on affected streets. Vehicles parked illegally will be ticketed and towed at the owner’s expense. Cooperation from the public will help ensure operations are conducted quickly and efficiently.

Drivers are asked to reduce speeds, observe all posted detours, use caution and watch for workers in the vicinity of the work zone to keep them safe. We thank the public for their patience while this important work is underway. To report a pothole for repair, please utilize the city’s online pothole reporting system ([www.troyny.gov/potholes](http://www.troyny.gov/potholes)) or contact the Department of Public Works dispatcher at (518) 270-4579.

The following streets are scheduled for milling and paving:

### **South Troy:**

- Erie Street
- Hopkins Street
- Howard Street
- Mechanic Street
- Snyder Avenue

### **Lansingburgh:**

- 112<sup>th</sup> Street between 2<sup>nd</sup> and 6<sup>th</sup>

- 4<sup>th</sup> Avenue between 113<sup>th</sup> and 114<sup>th</sup>
- 3<sup>rd</sup> Avenue between 120<sup>th</sup> and 126<sup>th</sup>

Milling is scheduled to occur on the following streets later this month, with paving to follow:

- Project Road (following conclusion of school year)
- Cottage Street
- Canal Avenue

Milling and paving has been completed on the following streets:

### **South Troy**

- 4th Street, between Jackson Street and Van Buren Street
- 3rd Street, between Jackson Street and Van Buren Street

### **Eastside**

- Belle Avenue

National Grid will also be conducting gas and electric utility work in various locations throughout Troy. Residents can contact National Grid at 1-800-642-4272 or visit [NationalGrid.com](http://NationalGrid.com) for more information on work in their neighborhood.
