IV. SEQRA:

For purposes of the Project, the City Planning Commission served as lead agency for purposes of review pursuant to SEQRA.

VI. PUBLIC COMMENTS

Ms. Urzan explained that she is happy to see a property being added onto the tax rolls, but not a lot of jobs being created. Mr. Strichman noted that this is the first IDA project for the Lansingburgh neighborhood. He added that with this type of project, there is not a lot of job creation, but other benefits. Mr. Carroll asked about the burned out house on Third Ave. Mr. Conroy advised that property is in the permitting stage and should be completed in the upcoming weeks. Mr. Watson asked if the assessed value is carried through each year. Mr. Strichman advised that it is and will go up a small amount each year. Mr. Miller explained that the assessed value shown on the cost-benefit analysis is used as a base and the future payments will be abated; it will not go lower than the current assessment. Mr. Strichman advised that eventually it will be brought up to the assessed value after all of the improvements. Mr. Watson expressed his concerns about the large amount of savings that will occur over the first ten years of this project,

which is not affordable housing. Mr. Strichman advised that for projects such as this, there would not be a project. Mr. Conroy noted that the entry level for the proposed units are much less in this building than some of the recent projects. Ms. Knoblauch explained that the role of the IDA is to help this type of project come into an urban center and rehabilitate a building, that otherwise would not be on the tax rolls and generate income for the city. She added that once this project is complete, it will generate an additional \$660,000 per year. Ms. Knoblauch advised that this abatement of taxes will help the developer to slowly fill the building and mitigate the risk. Mr. Strichman advised that one of the factors that made this project attractive was that it would be putting a previously tax exempt property on the tax rolls. Mr. Conroy explained that the money saved through the IDA benefits will be reinvested back into the project. It also allows him to upgrade certain areas of the project. Ms. Urzan noted that she appreciates this Q&A and feels it helps to explain the process to the public. She added that if this project doesn't happen, it could leave a large vacant space in that neighborhood. Mr. Watson asked if we get a copy of the appraisal. Mr. Turek noted that we do not ask for the appraisal, rather work closely with the city's assessor to determine the value. Ms. Knoblauch noted that for this type of project the profit margin is most likely on the lower side. Mr. Turek agreed and added that the cost of construction for an adaptive re-use project doesn't leave much for profit.

VII. ADJOURNMENT

With no additional comments, the public hearing was closed at 10:28 a.m.

(A) By virtue of the Act, the Authority has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) The Authority has the authority to take the actions contemplated herein under the Act; and

(C) The action to be taken by the Authority will induce the Company to develop the Project, thereby increasing employment opportunities in the City of Troy, New York, and otherwise furthering the purposes of the Authority as set forth in the Act; and

(D) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Authority hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries; and

(E) The Authority has reviewed the Negative Declaration adopted by the Planning Commission and determined the Project involves an "Unlisted Action" as said term is defined under SEQRA. The review is uncoordinated. Based upon the review by the Authority of the Negative Declaration, related Environmental Assessment Form (the "EAF") and related documents delivered by the Company to the Authority and other representations made by the Company to the Authority in connection with the Project, the Authority hereby ratifies the SEQRA determination made by the Planning Commission and the Authority further finds that (i) the Project will result in no major impacts and, therefore, is one which may not cause significant damage to the environment; (ii) the Project will not have a "significant effect on the

environment” as such quoted terms are defined in SEQRA; and (iii) no “environmental impact statement” as such quoted term is defined in SEQRA, need be prepared for this action. This determination constitutes a negative declaration in connection with the Authority’s sponsorship and involvement with the Project for purposes of SEQRA.

Section 2. Subject to the within conditions, the Authority further authorizes the execution and delivery of the amended Leaseback Agreement, wherein the Company is authorized to undertake the construction and equipping of the Improvements and hereby appoints the Company as the true and lawful agent of the Authority: (i) to acquire, construct and equip the Improvements and acquire and install the Equipment; (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Authority with the authority to delegate such agency, in whole or in part, to agents, subagents, contractors, and subcontractors of such agents and subagents and to such other parties as the Company chooses; and (iii) in general, to do all things which may be requisite or proper for completing the Project, all with the same powers and the same validity that the Authority could do if acting in its own behalf. The foregoing authorization and appointment by the Authority of the Company as agent to undertake the Project shall expire on December 31, 2020, unless extended by the Executive Director of the Authority upon written application by the Company.

Based upon the representation and warranties made by the Company the Application, the Authority hereby authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an amount up to **\$3,375,000.00**, which result in New York State and local sales and use tax exemption benefits (“sales and use tax exemption benefits”) not to exceed **\$270,000.00**. The Authority agrees to consider any requests by the Company for increase to the amount of sales and use tax exemption benefits authorized by the Authority upon being provided with appropriate documentation detailing the additional purchases of property or services, and, to the extent required, the Authority authorizes and conducts any supplemental public hearing(s).

Pursuant to Section 1963-b of the Act, the Authority may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any sales and use tax exemption benefits taken or

purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the sales and use tax exemption benefits; (ii) the sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the sales and use tax exemption benefits are for property or services not authorized by the Authority as part of the Project; (iv) the Company has made a material false statement on its application for financial assistance; (v) the sales and use tax exemption benefits are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project fails to comply with a material term or condition to use property or services in the manner approved by the Authority in connection with the Project; and/or (vi) the Company obtains mortgage recording tax benefits and/or real property tax abatements and fails to comply with a material term or condition to use property or services in the manner approved by the Authority in connection with the Project (collectively, items (i) through (vi) hereby defined as a “Recapture Event”).

RESOLUTION OF THE TROY INDUSTRIAL DEVELOPMENT AUTHORITY (THE "AUTHORITY") (i) AUTHORIZING THE UNDERTAKING OF A CERTAIN PROJECT (AS FURTHER DEFINED HEREIN) FOR THE BENEFIT OF MONTROY MANAGEMENT L.P. (THE "COMPANY"); (ii) ADOPTING FINDINGS PURSUANT TO THE STATE ENVIRONMENTAL QUALITY REVIEW ACT ("SEQRA") WITH RESPECT TO THE PROJECT; AND (iv) AUTHORIZING THE EXECUTION AND DELIVERY OF CERTAIN DOCUMENTS AND AGREEMENTS RELATING TO THE PROJECT

WHEREAS, by Title 11 of Article 8 of the Public Authorities Law of the State of New York, as amended, and Chapter 759 of the Laws of 1967 of the State of New York, as amended (hereinafter collectively called the "Act"), the **TROY INDUSTRIAL DEVELOPMENT AUTHORITY** (hereinafter called the "Authority") was created with the authority and power to own, lease and sell property for the purpose of, among other things, acquiring, constructing and equipping industrial, manufacturing and commercial facilities as authorized by the Act; and

WHEREAS, by resolution adopted August 16, 2019 (the "Initial Project Resolution"), the Authority (i) accepted the Application submitted by the Company, (ii) authorized the scheduling, notice and conduct of a public hearing with respect to the Project (the "Public Hearing"), and (iii) described the forms of financial assistance being contemplated by the Authority with respect to the Project (the "Financial Assistance", as more fully described herein); and

WHEREAS, pursuant to the Initial Project Resolution, the Authority duly scheduled, noticed and conducted the Public Hearing at 10:00 a.m. on September 20, 2019 whereat all interested persons were afforded a reasonable opportunity to present their views, either orally or

in writing on the location and nature of the Facility and the proposed Financial Assistance to be afforded the Company in connection with the Project (a copy of the Minutes of the Public Hearing, proof of publication and delivery of Notice of Public Hearing being attached hereto as **Exhibit A**); and

WHEREAS, pursuant to application by the Company, the Planning Commission of the City of Troy (the "Planning Commission"), as lead agency pursuant to the State Environmental Quality Review Act and regulations adopted pursuant thereto (collectively, "SEQRA"), previously reviewed the Project and adopted a negative declaration (the "Negative Declaration") with respect to the Project, a copy of which is attached hereto as **Exhibit B**; and

WHEREAS, the Authority and Company have negotiated the terms of an Agent and Financial Assistance and Project Agreement (the "Agent Agreement"), a Lease Agreement (the "Lease Agreement"), related Leaseback Agreement (the "Leaseback Agreement") and related Payment-in-lieu-of-Tax Agreement (the "PILOT Agreement"), and, subject to the conditions set forth within this resolution, it is contemplated that the Authority will (i) acquire a leasehold interest in the Land and Existing Improvements pursuant to the Lease Agreement, (ii) appoint the Company agent of the Authority to undertake the Project and lease the Land, Existing Improvements, Improvements and Equipment constituting the Facility to the Company for the term of the Leaseback Agreement and PILOT Agreement, and (ii) provide certain forms of Financial Assistance to the Company, including (a) mortgage recording tax exemption(s) relating to one or more financings secured in furtherance of the Project; (b) a sales and use tax exemption for purchases and rentals related to the construction and equipping of the Project; and (c) a partial real property tax abatement structured through the PILOT Agreement.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE TROY INDUSTRIAL DEVELOPMENT AUTHORITY AS FOLLOWS:

Section 1. The Company has presented an application in a form acceptable to the Authority. Based upon the representations made by the Company to the Authority in the Company's application and in related correspondence, the Authority hereby finds and determines that:

(A) By virtue of the Act, the Authority has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) The Authority has the authority to take the actions contemplated herein under the Act; and

(C) The action to be taken by the Authority will induce the Company to develop the Project, thereby increasing employment opportunities in the City of Troy, New York, and otherwise furthering the purposes of the Authority as set forth in the Act; and

(D) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one

area of the State of New York (the “State”) to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Authority hereby finds that, based on the Company’s application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries; and

(E) The Authority has reviewed the Negative Declaration adopted by the Planning Commission and determined the Project involves an “Unlisted Action” as said term is defined under SEQRA. The review is uncoordinated. Based upon the review by the Authority of the Negative Declaration, related Environmental Assessment Form (the “EAF”) and related documents delivered by the Company to the Authority and other representations made by the Company to the Authority in connection with the Project, the Authority hereby ratifies the SEQRA determination made by the Planning Commission and the Authority further finds that (i) the Project will result in no major impacts and, therefore, is one which may not cause significant damage to the environment; (ii) the Project will not have a “significant effect on the environment” as such quoted terms are defined in SEQRA; and (iii) no “environmental impact statement” as such quoted term is defined in SEQRA, need be prepared for this action. This determination constitutes a negative declaration in connection with the Authority’s sponsorship and involvement with the Project for purposes of SEQRA.

Section 2. The Authority hereby accepts the Minutes of the Public Hearing and approves the provision of the proposed Financial Assistance to the Company, including (i) a sales and use tax exemption for materials, supplies and rentals acquired or procured in furtherance of the Project by the Company as agent of the Authority; (ii) mortgage recording tax exemption(s) in connection with secured financings undertaken by the Company in furtherance of the Project; and (iii) an abatement or exemption from real property taxes levied against the Land and Facility pursuant to a PILOT Agreement.

Section 3. Subject to the Company executing the Leaseback Agreement and/or a related Agent Agreement, along with the delivery to the Authority of a binder, certificate or other evidence of liability insurance policy for the Project satisfactory to the Authority, the Authority hereby authorizes the undertaking of the Project, including the acquisition of a leasehold interest in the Land and Existing Improvements pursuant to the Lease Agreement and related recording documents, the form and substance of which shall be approved as to form and content by counsel to the Authority. Subject to the within conditions, the Authority further authorizes the execution and delivery of the Leaseback Agreement, wherein the Company is authorized to undertake the construction and equipping of the Improvements and hereby appoints the Company as the true and lawful agent of the Authority: (i) to acquire, construct and equip the Improvements and acquire and install the Equipment; (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Authority with the authority to delegate such agency, in whole or in part, to agents, subagents, contractors, and subcontractors of such agents and subagents and to such other parties as the Company chooses; and (iii) in general, to do all things which may be requisite or proper for completing the Project, all with the same powers and the same validity that the Authority could do if acting in its own behalf. The

foregoing authorization and appointment by the Authority of the Company as agent to undertake the Project shall expire on December 31, 2020, unless extended by the Executive Director of the Authority upon written application by the Company.

Based upon the representation and warranties made by the Company the Application, the Authority hereby authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an amount up to **\$3,045,660.00**, which result in New York State and local sales and use tax exemption benefits (“sales and use tax exemption benefits”) not to exceed **\$243,660.00**. The Authority agrees to consider any requests by the Company for increase to the amount of sales and use tax exemption benefits authorized by the Authority upon being provided with appropriate documentation detailing the additional purchases of property or services, and, to the extent required, the Authority authorizes and conducts any supplemental public hearing(s).

Pursuant to Section 1963-b of the Act, the Authority may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any sales and use tax exemption benefits taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the sales and use tax exemption benefits; (ii) the sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the sales and use tax exemption benefits are for property or services not authorized by the Authority as part of the Project; (iv) the Company has made a material false statement on its application for financial assistance; (v) the sales and use tax exemption benefits are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project fails to comply with a material term or condition to use property or services in the manner approved by the Authority in connection with the Project; and/or (vi) the Company obtains mortgage recording tax benefits and/or real property tax abatements and fails to comply with a material term or condition to use property or services in the manner approved by the Authority in connection with the Project (collectively, items (i) through (vi) hereby defined as a “Recapture Event”).

As a condition precedent of receiving sales and use tax exemption benefits, mortgage recording tax exemption benefits, and real property tax abatement benefits, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, must (i) if a Recapture Event determination is made by the Authority, cooperate with the Authority in its efforts to recover or recapture any sales and use tax exemption benefits, mortgage recording tax benefits and/or real property tax abatements abatement benefits, and (ii) promptly pay over any such amounts to the Authority that the Authority demands, if and as so required to be paid over as determined by the Authority.

Section 4. The Chairman, Vice Chairman, and/or Executive Director/Chief Executive Officer of the Authority are hereby authorized, on behalf of the Authority, to execute, deliver (A) the Agent Agreement, wherein the Authority will appoint the Company as agent to undertake the

Project, (B) the Lease Agreement, pursuant to which the Company will lease its interest in the Land, Existing Improvements, Improvements and Equipment constituting the Facility to the Authority, (C) the Leaseback Agreement, pursuant to which the Authority will lease its interest in the Land, Existing Improvements, Improvements and Equipment constituting the Facility back to the Company, (D) the PILOT Agreement pursuant to which the Company shall be required to make certain PILOT Payments to the Authority for the benefit of the Affected Taxing Jurisdictions (along with a related PILOT Mortgage Agreement, or in the discretion of the Executive Director, a sufficient guaranty of performance under the Leaseback Agreement and PILOT Agreement), and (E) related documents, including, but not limited to, Sales Tax Exemption Letter(s), Bills(s) of Sale and related instruments; provided the rental payments under the Leaseback Agreement include payments of all costs incurred by the Authority arising out of or related to the Project and indemnification of the Authority by the Company for actions taken by the Company and/or claims arising out of or related to the Project.

Section 5. The Chairman, Vice Chairman and/or the Executive Director/Chief Executive Officer of the Authority are hereby further authorized, on behalf of the Authority, and to the extent necessary, to execute and deliver any mortgage, assignment of leases and rents, security agreement, UCC-1 Financing Statements and all documents reasonably contemplated by these resolutions or required by any lender identified by the Company (the "Lender") up to a maximum principal amount necessary to undertake the Project and/or finance/refinance acquisition and Project costs, equipment and other personal property and related transactional costs, and, where appropriate, the Secretary or Assistant Secretary of the Authority is hereby authorized to affix the seal of the Authority to the Authority Documents and to attest the same, all with such changes, variations, omissions and insertions as the Chairman, Vice Chairman and/or the Executive Director/Chief Executive Officer of the Authority shall approve, the execution thereof by the Chairman, Vice Chairman or the Executive Director/Chief Executive Officer of the Authority to constitute conclusive evidence of such approval; provided, in all events, recourse against the Authority is limited to the Authority's interest in the Project.

Section 6. The officers, employees and agents of the Authority are hereby authorized and directed for and in the name and on behalf of the Authority to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Authority with all of the terms, covenants and provisions of the documents executed for and on behalf of the Authority.

Section 7. These Resolutions shall take effect immediately.
