Public Utilities Issue Service Alert, Traffic Advisory for Portions of South Troy

TROY, NY – Officials with the City’s Department of Public Utilities have issued a service alert and traffic advisory for scheduled water maintenance repairs in South Troy. Beginning 7:00 a.m., Saturday, January 8th, DPU crews will be replacing a water valve in the vicinity of Madison Avenue and 4th Street.

As a result of this work, water service will be interrupted for residents on 3rd and 4th Streets between Harrison Street and Canal Avenue. Work is expected to continue through 7 p.m.

Motorists are asked to observe all posted detours, and avoid the area while work is underway. Local emergency services have been notified of traffic restrictions.

For more info, or to determine if your property is affected by water service disruption, please contact the Department of Public Utilities at (518) 237-0611.

For info on local traffic advisories, please visit www.troyny.gov/traffic
